Education Safeguarding Service

The Education Safeguarding Service (ESS) offers training, resources and advice to Maintained Schools, Academies, alternative providers, LA Education services, Independent Schools and FE colleges. Booking for all ESS courses must be made by completing booking forms and emailing Sophie Morley at the address below. Confirmation will then be sent to you. Courses on WILMa must be booked directly see link below.

Training for Designated Safeguarding Leads

Each school and college should have a designated safeguarding lead (DSL) and at least one deputy DSL, whose role is to support staff members to carry out their safeguarding duties and liaise closely with other agencies such as Children's Social Care. This training should be updated every two years.

If you are unsure where you are on the training cycle please do not hesitate to contact Sophie Morley.

Please find attached to the email and below the new training flyer and booking form for courses in the 2017-18 academic year. Most of the remaining courses in the current academic year are full. However, if you would like to be added to a waiting list please contact Sophie Morley on the number below.
