

# Learn to Crochet

NB. This picture is for illustration purposes only

## What is this course about?

Whether you are a complete beginner or want to revisit an old hobby, this course is for you. Learn how to master various crochet stitches, discover the joy and versatility of granny squares and gain the skills and confidence you need to read patterns and complete your own crochet projects.

## Topics include:

- Introduction to the basic tools and yarn used in crochet.
- Learn how to hold a crochet hook, create a foundation chain and master basic crochet stitches such as double crochet, treble crochet, half treble crochet and slip stitch.
- Learn how to read a crochet pattern, use different colours and sew together crochet items.
- Discover the joys of granny squares and how they can be combined to produce blankets, bags, scarves and more.

## How will I learn?

Your tutor will be on hand to guide you through the different stitches and techniques used. There will be demonstrations, group tuition and individual support. Guidance and advice will be provided at every stage by our friendly, experienced tutor.

To enhance your learning we will provide you with an individual learning plan to enable you to record your progress and achievement. This will be yours to keep and will act as your own personal reminder between classes as well as once your course has finished.

This course is suitable for absolute beginners who have never held a crochet hook and also for those with a little crochet experience who wish to practice basic skills in a friendly, supportive environment with expert help on hand.

## What materials will I need?\*

Materials will be supplied for the **first session only**. Additional materials will be required during the course - advice will be given in your first session regarding additional materials.
