

SING

Music soothes the soul!

NB. This picture is for illustration purposes only

What is this course about?

Do you sing in the shower or in the car?
Do you sing along whenever you hear one of your favourite songs?

Would you like to be part of a singing group?

If you have answered yes to any of the above questions this is the course for you!

There are no embarrassing auditions and you don't need to have any experience - just a love of music and singing.

It is an excellent way to de-stress, have some time for yourself and to meet others who have a shared interest.

So, if you would like lose the worries of day to day living and just enjoy yourself, what are you waiting for?

Topics include:

- Body basics: The anatomy of singing and how our bodies produce sound, good posture, breathing and how to look after your voice.
- Diction and how pronounce words correctly.
- Tips on vocal performance, voice projection, confidence and microphone techniques.

- Singing in harmony as well as in unison.
- How to warm up your voice properly to get the best out of it.
- Vocal exercises to get your voice in great condition.

How will I learn?

By taking part! We can cover a variety of music styles from modern to classical - just name your tune and we will learn it by having fun and not taking ourselves too seriously.

To enhance your learning we will provide you with an individual learning plan to enable you to record your progress and achievement. This will be yours to keep and will act as your own personal reminder between classes as well as once your course has finished.

Along the way we will learn the techniques and tips for singing to the best of your ability.

What materials will I need?

If you would like to bring a drink please do, but other than that just bring yourself and your singing voice.
