

# Introduction to Mixed Media

NB. This picture is for illustration purposes only

## What is this course about?

This course is suitable for anyone with an interest in art and a desire to develop their skills in painting, drawing or other artistic media. It will involve exploring assemblages and collages using made or found objects to create texture and interest.

These sessions will embed and develop individual skills and techniques with attention to:

- ♦ Individual research and choice of subject matter
- ♦ Comparing and contrasting different media and the related study of mixed media artists
- ♦ The use of colour and colour mixing;
- ♦ Different paints and related materials
- ♦ Combining different media for different effects and compositions

## How will I learn?

Your tutor will provide advice, guidance and support to enable you to express yourself through art.

To enhance your learning we will provide you with an individual learning plan to enable you to record your progress and achievement. This will be yours to keep and will act as your own personal reminder between classes as well as once your course has finished.

## What materials will I need?

Materials will be provided for the first week only. Your tutor will provide further advice regarding materials to bring for the following weeks - requirements will depend on your medium/s of choice but will include pencils, paints, brushes and paper. If you already have some resources please bring them with you.
