

Drawing & Painting

For illustration purposes only

What is this course about?

Experience the enjoyment of drawing and painting using a variety of materials and techniques. Learning about composition & drawing observational skills, mark making using pencils, measuring still life objects and transfer onto paper, colour theory and how to mix acrylic paint, acrylic painting techniques, one-point perspective, drawing negative space.

This course is suitable for both beginners and those who wish to revisit the basics to brush up on their general drawing and painting skills

Topics include:

- ♦ observational drawing
- ♦ perspective
- ♦ colour mixing
- ♦ painting techniques
- ♦ composition of subjects
- ♦ exploring painting styles of well known artists whilst developing a style of your own

How will I learn?

Your tutor will provide advice, guidance and support to enable you to develop your drawing and painting skills in practical and friendly workshop sessions. To enhance your learning we will provide you with an individual learning plan to enable you to record your progress and achievement. This will be yours to keep and will act as your own personal reminder between classes as well as once your course has finished.

What materials will I need?

Materials will be provided for the first week only. Your tutor will provide further advice regarding materials to bring for the following weeks but it will include:

- Set of pencils (B to 6B)
- Drawing paper in an A3 art pad
- Watercolour or Acrylic paper
- Acrylic paints and brushes

If you already have some resources please feel free to bring them with you.
