SLIPS AND TRIPS. WE'RE ALL RESPONSIBLE.

Slips, Trips and Falls Headteacher Pack

As part of the Health and Safety Teams, **"Don't Slip up Campaign"**, we have put together this Headteacher Pack, which includes some posters to be put up around the site in relevant and obvious places, as well as an example checklist and empty checklist.

Selected schools will receive a visit from the team to carry out an inspection, however headteachers are encouraged to carry out their own inspection, to ensure the safety of their staff.
