Job Description

For Non-Streamlined Positions

This form is used to provide a complete description of the specific job (or role) and defines the skills, knowledge and abilities required to undertake the specific and generic role profile.

Section A: Specific Role Profile

The specific role profile provides key information relating to the salary and working conditions e.g. location of a job, along with the current focus of the job role and a brief description of the main duties.

Role Details

Job Title:	Business Fire Safet Advisor BFSA	JEID	K0098
Salary Grade:	Grade I		
Team:	Fire Protection		
Service Area:	Fire and Rescue Service		
Primary Location:	WFRS Service HQ, Leamington Spa		
Political Restriction	This position is not politically restricted.		
Responsible to:	Fire Protection, Team Leader		
Responsible for:	N/A		

Role Purpose

To support businesses to understand and comply with their statutory duties relating to fire safety legislation and to increase the presence of WFRS in the business community across Warwickshire. To assisst in the gathering of operational intelligence to support the safety of firefighters whilst signposting businesses to other relevant enforcing authorities where appropriate.

Role Responsibilities

- To provide advice and education to support business owners and Responsible Persons to meet their statutory obligations under fire safety legislation.
- To assist business owners and Responsible Persons with business continuity and emergency planning advice.
- To assist business owners by signposting them to other regulatory bodies or trade organisations.
- To ensure that complaints are acknowledged and passed to an appropriate officer or partner agency to be investigated in accordance with organisational policy.
- To visit regulated premises that have experienced a fire and provide fire safety and business continuity advice to business owners

- To visit regulated premises in the vicinity of non-domestic fires and provide post incident advice and support.
- To work with businesses to deliver specific fire safety enforcement campaigns and where appropriate signpost or provide home safety advice to employees.
- To identify and capture relevant information on regulated premises not currently on the Service's premises risk database and record details as appropriate.
- To work with businesses groups and associations to advise and influence businesses in the implementation of better fire safety management.
- To engage with businesses and business organisations to facilitate surgeries to enable businesses to access fire safety advice.
- To work with other agencies to provide multi agency surgeries to enable businesses to access advice on a range of regulatory matters such as fire safety, health and safety, food hygiene, trading standards and licensing.
- To visit premises to advise and influence business owners and gather intelligence on fire safety arrangements in low and medium risk premises in order to:
- Signpost identified breaches of fire safety legislation to a Fire Safety Inspector;
- Signpost identified breaches of other statutory requirements to the appropriate enforcing authority;
- Gather operational intelligence and report matters that could pose a potential risk to firefighters attending incidents.
- To work with businesses and business owners to reduce the number of unwanted fire signals from automatic fire detection and alarm systems.

The post holder is expected to contribute to the operation and management of the Service as a whole, examples of which include:

- Attendance of relevant training courses and to maintain any accredidation as required.
- Membership of appropriate meetings, working parties and project groups (if required).
- Supporting Service activities by developing a network of contacts both within and outside the organisation.
- Promoting a positive image of the Service in dealings with all other organisations and members of the public.

To ensure the confidentiality of data.

Section C: Working Conditions

The working conditions relate to those non-contractual elements of the job that may impact on the holder of the position, as well as those workplace-based responsibilities that are part of this job. These are not contractual but provide a guide to the working conditions and the potential hazards and risks that may be faced.

Health & Safety at Work

To take responsibility for your own health, safety and wellbeing, and undertake health and safety duties and responsibilities for your role as specified within Warwickshire County Councils Health and Safety Policy, and all other relevant health and safety policies, arrangements, procedures, systems of work as specified for the post/ role.

Potential Hazards & Risks

The potential significant hazard(s) and risk(s) for this job are identified below (those ticked). The purpose of recording this information on the job description is so that the health status of the potential and actual post-holders can be assessed with regard to the significant hazards and risks. These hazards and risks should be based on the appropriate activity, process and/or operation risk assessment whereby all of the significant risks are identified, recorded and appropriately controlled. The list below is therefore not an exhaustive list because it is the risk assessment that details all significant risks that could arise out of or in connection with the work activity, but any others will be identified in the 'other' section.
