

- NOTES
- Existing footpath to be paved and upgraded to a proposed 3m wide shared use footway/cycleway.
 - Pedestrian and Cycle accesses will be added at Cranmer Grove, Tamora Close, Shylock Grove, Trinculo Grove, Laertes Grove and Achilles Close. These areas are circled in Magenta.
 - Path to be street lit, with LED lanterns. The lanterns will be a minimum Wattage, yellow light and will include shielding backing plates, minimising any light pollution to nearby properties and the natural environment.
 - The signalised pedestrian crossings at Cicero Approach and on Harbury Lane near Garrett Drive/Heathcote Primary School will be upgraded to Toucan crossing facilities suitable for cycle usage.
 - New segregated 2m wide footway, 3m wide cycleway section between the bus stop on Harbury Lane (opposite Heathcote Primary School) through to Earl Rivers Ave/Gallagher Way Roundabout. Provides link to Phase Two for future development.
 - Phase Two will continue the route through to the Europa Way/Gallows Hill roundabout, providing improved footway/cycleway facilities on the North side of Harbury Lane.
