## COVENTRY ACTS OF KINDNESS

SEPTEMBER 2020  
AT THE FOLLOWING  
TRAIN STATIONS:

Friday 4th - Tile Hill & Canley  
Saturday 5th - Coventry  
Monday 7th - Canley  
Thursday 10th - Coventry & Tile Hill

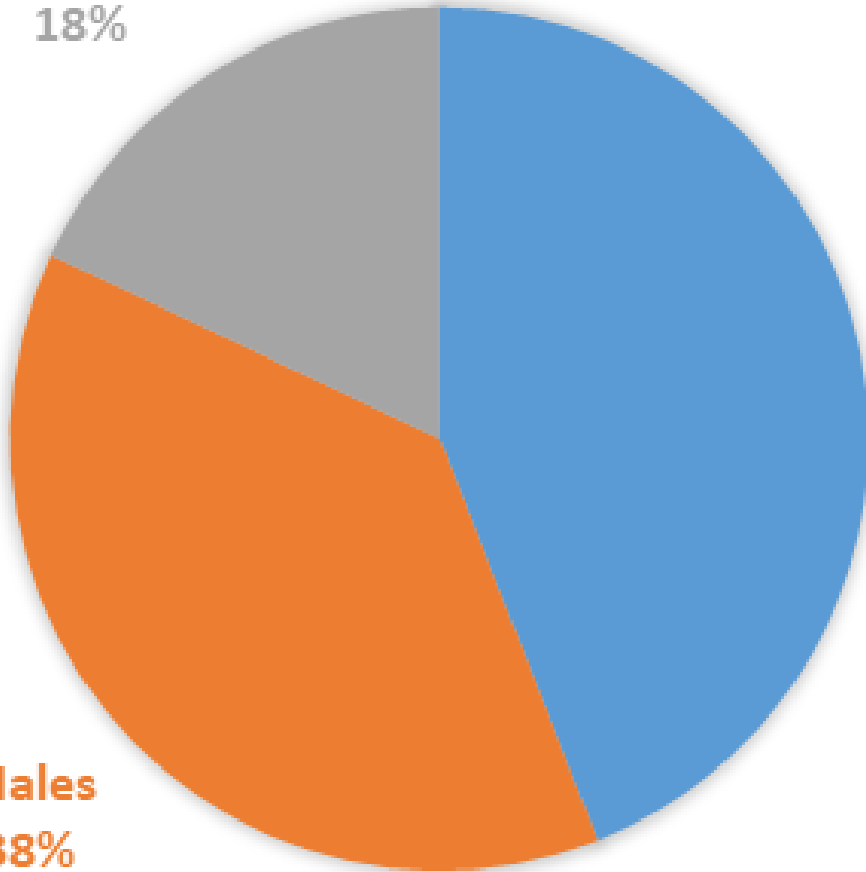

An event to improve the passenger experience in a post-lockdown world. It's about encouraging people to start to use public transport again (safely) and about raising the profile of Coventry Station as a place for the community. At Coventry, Tile Hill and Canley stations over a period of 2 weeks (2 days at each station), there will be a stand with cakes, flowers and other free items for commuters, as well as leaflets from the Kaleidoscope Group promoting positive mental health and suicide awareness.

Thanks for listening to me, I felt you genuinely care. (Shout details given)

What a great idea!  
Helping local businesses and cheering up commuters. Cheers mate!

You inspired us on Friday to go home, bake cakes and deliver them to our friends!

# Thank you!
