

Changes to Children's Centre services Abbey Children's Centre

Warwickshire County Council is redesigning services for the county's children and families. This is to provide more flexible support to more families with children and young people aged up to 19 (25 for those with additional needs) against a backdrop of reduced budgets.

Following a transition period with the current children's centre providers the new service will be in place from September 2019.

What this means?

- 14 centres will become Children and Family Centres offering family support for 0-19 year olds, with a continued focus on 0-5s and specific countywide services from pregnancy to when a child is 2 years old.
 - North Warwickshire Borough – Atherstone
 - Nuneaton & Bedworth Borough – Camp Hill, Riversley, Stockingford, St Michael's
 - Rugby Borough – Boughton Leigh, Claremont, Long Lawford
 - Warwick District – Kingsway, Lillington, Westgate,
 - Stratford District – Alcester, Lighthorne Heath, Stratford
- For the remaining centres, in some of these services will cease and services will be provided locally on an outreach basis.
 - A list of these centres can be found by visiting www.warwickshire.gov.uk/fis
- Information, advice and activity sessions will be on offer at a variety of community locations

We want to continue to support families whilst the new service model is put into place and to help people who might be unsure what it means for them.

From 23rd March 2018 services will no longer be delivered from this centre and they will transfer to your nearest Children and Families Centre. Discussions are being held with partners about future usage of the centre and the potential for outreach services (including health visiting and midwifery are being explored. Further details will be communicated once arrangements have been finalised.
