

Your Early Help Pathway - Closure

The purpose of this process has been to support you and your family through the Early Help Pathway.

The completion of this closure document will help you and your Lead Professional to reflect on the progress you have made, identify what has gone well and review the support you have accessed.

It will also help you to plan any additional actions that will help you and your family move forward.

Here's what to expect as your support is closing...

Speak with your family to understand their views on the closure of your Early Help Pathway

Speak with your Lead Professional to complete this closure document as fully as possible

Do write a post-support action plan - what do you need to do to continue your positive progress?

Do use online resources and universal services if you need further information and guidance via www.warwickshire.gov.uk/childrenandfamilies

Review your family strengths, and acknowledge where you started and how far you have progressed

Review the whole process. How has it gone for you?

Contents of this document:

- > **Closure Summary** - an overview of the support that was put in place, and an opportunity to outline the difference you feel it has made
- > **Early Help Outcomes** - a tool to help you and your lead professional reflect on changes in your family's strengths and challenges
- > **Post-Support Action Plan** - a record of actions that will help you and your family after formal support from your lead professional has closed
