## Section B: Generic Role Profile

The generic role profile provides a list of the main tasks that cover the broad range of duties and responsibilities performed at this level for the job role. An employee may not be undertaking all of these at any one time, but they could be expected to do so under their contract of employment.

### Generic Role Details

Job Role:	Senior Social Worker
-----------	----------------------

### Main Tasks

- To provide an outcome focussed children's Social Work service in line with Social Work England's Standards.
  - To work within legislative frameworks and the local authority's policies and procedures in providing a children's Social Work Service.
  - To take responsibility for planning and actively participating in supervision in order to ensure that Social Work Practice is underpinned by line manager accountability recognising the need for increased supervisions to manage highly complex cases.
  - Manage a varied caseload to support vulnerable children and their families who meet the threshold for service including those who have complex and or challenging needs.
- 
- To undertake a wide range of complex assessment of need/risk and devise support plans to meet identified outcomes, working in partnership with children, their families, agencies and other networks.
  - Identify, source and review the support and services provided to ensure this continues to meet eligible needs and identified outcomes.
  - To maintain and facilitate professional working relationships with partner agencies and others for the delivery of services.
  - Take a key worker role in responding to safeguarding vulnerable children and families with managerial oversight for strategy meetings conferences and review, where appropriate.
  - Ensure that all recording of social work activity is carried out in accordance with policy and procedures with due regard to data protection.
  - To take responsibility for own professional development in line with the SWE Standards. Identify learning and development needs through supervision and appraisal, including expectations of the WCC Social Work Career Pathway.
  - Contribute to the professional development of colleagues e.g. mentoring, coaching, shadowing or where appropriate "practice assessing".
  - Active participant of team meetings and bringing research, learning from training
  - To be able to respond flexibly to service need including working in another locality within the local authority.
  - To undertake more complex assessments and cases, which require the development of solutions over the long term.
  - Full aspect of Court work
  - Whilst dealing with the more complex cases regarding the most vulnerable Children, it is likely that there will be regular intense emotional demands.
  - Contribute to the professional development of colleagues, including students, less experienced practitioners and family support workers which will include the allocation and checking of work.

## Section B: Person Specification

The person specification provides a list of essential and desirable criteria (skills and competencies) that a candidate should have in order to perform the job.

Each of the criteria listed below will be measured through; the application form (A), a test / exercise (T), an interview (I), a presentation (P) or documentation (D).

## Section C: Working Conditions

The working conditions relate to those non-contractual elements of the job that may impact on the holder of the position, as well as those workplace-based responsibilities that are part of this job. These

are not contractual but provide a guide to the working conditions and the potential hazards and risks that may be faced.

### Health & Safety at Work

To take responsibility for your own health, safety and wellbeing, and undertake health and safety duties and responsibilities for your role as specified within Warwickshire County Councils Health and Safety Policy, and all other relevant health and safety policies, arrangements, procedures, systems of work as specified for the post/ role.

### Potential Hazards & Risks

The potential significant hazard(s) and risk(s) for this job are identified below (those ticked). The purpose of recording this information on the job description is so that the health status of the potential and actual post-holders can be assessed with regard to the significant hazards and risks. These hazards and risks should be based on the appropriate activity, process and/or operation risk assessment whereby all of the significant risks are identified, recorded and appropriately controlled. The list below is therefore not an exhaustive list because it is the risk assessment that details all significant risks that could arise out of or in connection with the work activity, but any others will be identified in the 'other' section.
