

# let's do the right thing for Warwickshire

## Stay safe if you're car sharing

**You must not share a car with someone outside your household or bubble unless it is essential. Consider other forms of transport if possible.**

**If you do car share remember to follow the latest guidance and:**

**Keep windows open for ventilation.**

**Maximise distance between the people in the car**

**Clean the car between journeys,**

**Don't share with different people on different days.**

**Touch as few surfaces as possible**

**Drivers and passengers should wear a face covering, unless they are exempt**
