

Testing Messages

<p>I get tested twice a week because I go out to work. If you're working or spending time with people outside your household, book a regular community test here www.warwickshire.gov.uk/covidtesting</p>	
<p>I get regularly tested for peace of mind and to protect my vulnerable mother. Testing is quick, free and it saves lives. Book your test at www.warwickshire.gov.uk/covidtesting</p>	
<p>Free COVID-19 tests are available for all adults in England. Test regularly with an LFT if you don't have symptoms, and take a PCR test if you do have symptoms. COVID-19 symptoms are high temperature, new continuous cough and loss or change to sense of smell/taste.</p> <p>More info: http://nhs.uk/conditions/coronavirus-covid-19/testing/get-tested-for-coronavirus/</p>	
<p>In this video watch Dr Amir Khan and his niece Haleema as they show you how to do a throat and nasal swab test for COVID-19 at home.</p> <p>To get your regular rapid tests, visit gov.uk/coronavirus</p>	
<p>In this video Dr Amir Khan shows you how to test yourself for coronavirus (COVID-19) using a self-test rapid antigen test kit, as well as how to read your result and report it to the NHS.</p>	<p>YouTube: https://bit.ly/3iyamHl</p> 

<p>If you get a positive COVID-19 test at a community testing site, you will need to get a confirmatory NHS test within 72 hours. To book this visit www.gov.uk/coronavirus or call 119.</p>	
<p>Remember to stay at home and book a PCR test immediately if you have any symptoms of COVID-19</p> <ul style="list-style-type: none"> • High temperature • New continuous cough • Loss or change to sense of smell/taste <p>To book a test visit www.gov.uk/coronavirus or call 119.</p>
