

Vaccination Messages

If you don't have a GP you can still get a vaccine, call ring 119 free of charge - 7am-7pm, 7 days a week or attend any of our drop-in sites
www.happyhealthylives.uk/coronavirus/covid-19-vaccination/vaccination-drop-in-clinics/

The COVID-19 vaccination will help to reduce your risk of catching and spreading COVID-19.

The vaccine is FREE. If you're over 18 and haven't had your vaccine yet, book your appointment here nhs.uk/coronavirus

Thank you for getting the COVID-19 vaccine. To keep everyone safe, please continue to:

- Regularly wash or sanitise your hands
- Wear a face covering
- Implement social distancing

The Oxford/Astra Zeneca vaccine has already saved thousands of lives. The UK's independent regulator has said that the benefits of the vaccine far outweigh the risk for the vast majority of adults.

The COVID-19 vaccine reduces household transmission by up to half. Don't delay in getting yours when it is offered to you. To book your vaccination call 119 or go to www.nhs.uk/covid-vaccination

Let's get back to the things we love. The COVID-19 vaccine is the best way to protect yourself and others from the virus. Join the millions who have already had their first vaccination. Call 119 or go to www.nhs.uk/covid-vaccination

Fact check: both doses of the vaccine better protects you against the Delta variant. 92.14% of everyone that tested positive for the variant between 1 February and 21 June hadn't received both vaccine doses.
