

Admissions Policy **2021-22**

Arrangements for Admission to Henley in Arden Church of England Primary School and Nursery set by its Governing Body for admissions

Children are normally admitted to the school in the September of the school year in which they are 5 years old. We welcome visits from prospective parents. Please telephone or write to make an appointment.

The admissions process is administered by Warwickshire County Council, applications can be made via the website <https://www.warwickshire.gov.uk/primaryschool>.

The school has a pupil admission number (PAN) of 30 children.

OVER SUBSCRIPTION CRITERIA

In the event of over subscription, priority will be given using the following criteria in order of precedence:

1. Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order. (See Note B)
2. Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. (See Note C)
3. Children who live in the priority area who have a sibling attending the school at the time of admission. (See Note D)
4. Children on roll at the school's nursery at the time at which the application for admission to the school is made.
5. Children of staff where (a) the member of staff has been employed by the trust for two or more years at the time at which the application for admission to the school is made, or (b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
6. Other children living in the priority area. (See note below)
7. Children from outside the area who have a sibling at the school at the time of admission.
8. Other children from outside the priority area.

NB In the event of over subscription, priority will be given to children living closest to the school within each criterion. Where a final place(s) cannot be allocated, as it is impossible to define a difference between applications, the allocation of the final place(s) will be determined by drawing lots. This is done independently of the Governing Body.

Priority Areas

The Parishes of Beaudesert, Henley-in-Arden, Oldberrow and Ullenhall. Part of the Parish of Wootton Wawen north of the River Alne and part of the Parish of Preston Bagot north of the canal.

For an accurate description of the school's priority area, please visit the Warwickshire County Council website: <https://www.warwickshire.gov.uk/mapinfantprimaryschools>

Distance

Distance will be calculated by the straight line measurement from the centre of the applicant's home address to the centre point of the school.

Note A

Children with Education Health Care Plan that name the school will be offered a place first. This will reduce the number of places available.

Note B

Children who were "looked after" by a local authority but ceased to be so because the child was adopted under section 46 of the Adoption and Children Act 2002, or became the subject of a residence order in Section 8 of the Children's Act 1989, or became the subject of a special guardianship order, defined by Section 14A of the Children's Act 1989.

Note C

A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

Note D

Siblings can be a brother or sister sharing the same parents; half-brothers and half-sisters; adopted sisters and brothers or; stepsisters and stepbrothers. Siblings can reside at different addresses.

Note E

The home is where the child normally sleeps when s/he attends school (including the address at which a 'looked after' child in the care of a local authority normally sleeps). Addresses involved in child minding arrangements (professional or with relatives) are excluded. If the child's parents do not live together, and the child lives for equal amounts of time with each parent, the parents must nominate the address to be used for the purpose of the school admission application. The Governing Body reserves the right to ask for evidence of the address of a pupil or prospective pupil.

Note F

Parents can request that the date their child is admitted to the school is deferred until later in the academic year or until the term in which the child reaches compulsory school age. Parents can request that their child takes up the place part time until the child reaches compulsory school age. The Executive Headteacher will determine any such requests in the best interests of the child.

Multiple Births

If the school can accommodate only one child of a multiple birth (eg. twins) under this admissions policy then the Trust Board will consider whether in these exceptional circumstances it can admit the other child(ren). For infant classes, a child whose twin or sibling from a multiple birth is admitted (other than as an excepted pupil) will be a legal exception to infant size limits.

The closing date for applications for admission to Reception is set by Warwickshire County Council. Late applications will be considered after those received on time. Further information about the admissions process is available from Warwickshire County Council.

The Warwickshire County Council Waiting list for Reception Class

If Warwickshire County Council, acting on behalf of the Trust Board, is unable to offer your child a place in Reception Class at the start of the September term because the school is oversubscribed, you can ask to put your child's name on the Council's waiting list for a place at the school. If places become available because offers have not been accepted, they will be offered to those on the waiting list using the same priority order as above. The amount of time a child's name has been on the waiting list is not relevant. Parents should be aware that the priority order of children on the list

can alter, for example as children with higher priorities are added.

The school cannot offer a place to a child in the Infant Classes (Reception, Year 1 and Year 2) over the legal limit of 30 pupils except in the circumstances described in the Department for Education's School Admissions Code.

The school may, in exceptional circumstances, offer a place to a child in the Junior Classes (Years 3-6) over the normal number of 30 pupils. Such applications are considered by the Governing Body which will take into account the special circumstances of the child, including a child from a multiple birth who would otherwise have to attend a different school from his/her multiple birth sibling(s).

Admission for children outside of their normal age group

Parents may seek a place for their child outside their normal age group if, for example, the child has experienced problems such as ill health or if they are moving from overseas and their child has not been educated in the English school system. This request should be in the form of a written letter of application to the Executive Headteacher outlining the reason(s) why you wish your child to be considered for admission into a class outside of their normal age group. You should enclose any supportive evidence and documentation, for example from professionals who have worked with your child. Each request will be looked at on an individual basis. These applications will be considered alongside all other applications. Parents have a statutory right to appeal against the refusal of a place at the school for which they have applied. This right does not apply if they have been offered a place at the school but it is not in their preferred age group.

Appeals

Parents have the right to appeal to the Admission Appeals Panel against the decision of the Governing Body against the decision to refuse application for a school place. The Independent Admission Appeals Panel is arranged by Warwickshire County Council who administers the appeals on behalf of the Governing Body.

In Year Admissions

Parents should apply directly to Warwickshire County Council Admissions Service who coordinate admissions throughout the year. The Governing Body will apply the oversubscription criteria where there are more applications than places.

Fair Access Protocol

The Governing Body recognises its duty to work with the Local Authority during the course of the year to provide fair access for "hard to place" children, even where the school has already reached its published admission number – except where the infant class size limit of 30 pupils would be breached by doing so. These pupils may include children who have previously been permanently excluded from a school, children of Traveller families, refugees and asylum seekers, and children on the Child Protection register. The protocol established by the Local Authority for this purpose is designed to ensure that such pupils are shared equally between schools in an area.
