

## **Warwickshire County Council Admission Arrangements 2023/24 for community and voluntary controlled schools**

Warwickshire County Council is the Admissions Authority for all community and voluntary controlled schools within Warwickshire.

These admission arrangements should be read in conjunction with the Warwickshire coordinated scheme for admission to school in 2023.

Offers for the 2023 entry year will be made up to each schools Published Admission Number (PAN) as outlined in this document.

If the number of applications for any school is less than the published admission number then all applicants will be offered a place.

The Admissions Service may request additional evidence to determine a child's eligibility for particular oversubscription criteria.

Warwickshire County Council's relevant area for consultation is contained within the administrative area of Warwickshire County Council.

When a Warwickshire Community or Voluntary Controlled school is over-subscribed, after the admission of pupils with an Education, Health and Care plan naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order.

## **Definition of looked after and previously looked after children**

Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). All references to previously looked after children mean such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).

Child arrangements orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)

A copy of any relevant documents may be requested as evidence at any time during the admissions process.

## **Clarification on places available for those in receipt of Early Years Pupil Premium**

Where stated, priority is available for children who are in receipt of the Early Years Pupil Premium through their early years' provider, with no more than 14%\* of the places available to be allocated under this category. The child must be in receipt of the premium at the time the application is made;

Check your eligibility at: [www.warwickshire.gov.uk/freeschoolmeals](http://www.warwickshire.gov.uk/freeschoolmeals)

*\*14% represents the national figure (13.7%) of children in receipt of Free School Meals, as stated within the Department for Education's Statistical Publication entitled, 'Schools, Pupils and their Characteristics', issued in June 2018.*

*If the number of places from the percentage results in a decimal number, then this will be rounded down to a whole number if .4 or below and rounded up to a whole number if .5 or above.*

*E.g.: 14% of 30 = 4.2. In this case, the number of places available to allocate within this category would be a rounded down to a whole number of 4.*

### **Clarification on places available to those subject to a Child in Need Plan or a Child Protection Plan.**

Where stated, priority is available for children who are subject to a Child in Need Plan or a Child Protection Plan at the time of making the application, or who have been at any point since 1 September 2015, with no more than 9%\*\* of the places available to be allocated under this category.

*Further checks will be undertaken by Warwickshire County Council to confirm circumstances for children who are considered under this category. Relevant documents may also be requested from applicants at any time during the admissions process.*

*\*\*9% represents an average figure (8.7%) within the local authority of children either in need or on a child protection plan (where the conference stage commenced), when compared with cohort sizes of children aged 4 – 16, resident in Warwickshire within the 2017/18 academic year. Data obtained from the Department for Education’s statistical publication entitled, ‘Characteristics of Children in Need’, which contains analysis of data obtained in March 2017.*

*If the number of places from the percentage results in a decimal number, then this will be rounded down to a whole number if .4 or below and round up to a whole number if .5 or above.*

*E.g.: 9% of 30 = 2.7. In this case, the number of places available to allocate within this category would be a rounded up to a whole number of 3.*

If there are more applicants who comply with either category 2 or 3 than the number of places available under that category, places will be allocated based on the distance between home and school, in line with the rules set out in these criteria for ‘Priority within each over-subscription criterion’.

## **Definition of Priority Areas**

Each community and voluntary controlled school have an area identified as its Priority Area (this is sometimes referred to as a 'catchment area').

Full details of Priority Areas are available on the Warwickshire County Council website and can be viewed using interactive maps.

Infant and Primary School Priority Area Maps can be viewed at:

<http://www.warwickshire.gov.uk/mapinfantprimaryschools>

Junior and Primary School Priority Area Maps can be viewed at:

<http://www.warwickshire.gov.uk/mapjuniorprimaryschools>

## **Priority within each oversubscription criteria**

Where applicants are allocated the same oversubscription criteria, priority is given in order of distance between the child's home address and the school applied for, with the shortest distance being given highest priority.

Distance will be calculated by using a straight-line measurement from the address point location of the applicant's home address (as set by Ordnance Survey) to the pre-determined point ('centroid') of the school in question. All distances are subject to changes which may occur with updates of mapping data.

## **Tie Break**

Where the distance from home to school is identical for two or more applicants within the same oversubscription criteria individual priority will be determined by random allocation using a random number generator. The allocation will be carried out by two officers of the Admissions Service in the presence of a local authority solicitor. The result of the draw will be recorded and countersigned at the time by all parties involved. Applicants will be notified of the outcome in writing.

## **Definition of Sibling**

Sibling is defined as a brother or sister, a half brother or sister, a step brother or sister, an adopted brother or sister, a child living at the same address who is being Looked After by a local authority, or the child of a parents' partner where the child for whom the school place is being sought is living in the same family unit and at the same address as that sibling.
