

A school might receive more applications than the number of places available (the Published Admission Number or PAN). If this happens for Community, Voluntary Controlled schools or Academies (where the school has adopted the Local Authority admissions arrangements), places will be allocated using the Local Authority's oversubscription criteria.

If a Voluntary Aided or Foundation school receives more applications than it has places available, the governing body for the school will allocate places according to that school's published admission criteria.

Only on-time applications received have been processed for places offered on 17th April 2023. Late applications, and subsequent changes to applications, will be processed through the reallocation rounds which will start on 9th May 2023.

Warwickshire's 2023 entry over-subscription criteria

If a Warwickshire Community or Voluntary Controlled junior school is over-subscribed, then the following over-subscription criteria will be used when allocating places.

Additional information relating to categories 1 – 3 can be found in the local authority's 2023 entry Admission Arrangements document, which can be found at:

<https://api.warwickshire.gov.uk/documents/WCCC-1990003847-2812>

Junior Schools

(Year 3 entry)

Criterion 1: Looked after children and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Criterion 2: Children who receive the Pupil Premium, or Service Premium, through their current school, or who have done so at any point since starting school in Reception

Criterion 3: Children who are currently, or have been at any point since 1st September 2015, subject to a Child in Need Plan or a Child Protection Plan.

Criterion 4: Children who currently attend the partner infant school and who intend to remain at that school until the end of the 2022/2023 academic year in July 2023.

Criterion 5: Children living in the priority area for the school, who will have a sibling attending the same school in Years 4, 5 or 6 at the time of admission in September 2023.

Criterion 5: Children living in the priority area for the school, who will have a sibling attending the partner infant school at the time of admission in September 2023*.

Criterion 6: Other children living in the priority area for the school.

Criterion 7a: Children living outside the priority area for the school, who will have a sibling attending the same school in Years 4, 5 or 6 at the time of admission in September 2023.

Criterion 7b: Children living outside the priority area for the school, who will have a sibling attending the partner infant school at the time of admission in September 2023*.

Criterion 8: Other children living outside the priority area for the school.

Notes

- a)** Children with a Statement of Special Educational Needs or an Education, Health and Care (EHC) Plan that names a school will be admitted first. In this event the number of places that remain for allocation will be reduced.
- b)** Children attending, or with a place at, a nursery class do not have a higher priority for - and are not guaranteed - a place at the attached infant school.
- c)** * Time of admission relates to the time the applicant would start at the school – not the time of application or offer.

Within each of the criteria, priority is given in order of straight line distance between the home address and school. The shortest distance has the highest priority. Distance will be calculated by the straight line measurement from the applicant's home address to the centre point ("centroid") of the preferred school (all measurements are subject changes that may occur as a result of updated mapping data). This applies equally to those living inside and outside the County's boundary. A school's priority area is as defined on the Warwickshire Admissions website.

*If you are also applying for a Reception place at the partner infant school for another child, for entry in September 2023, please be aware that they will not be considered as a sibling link for the junior school applicant until after that child has been offered a place at the infant school and you have confirmed your acceptance of the Reception place.

Breakdown of 2023 entry Junior school offers

The following data shows all junior schools in Warwickshire and the number of offers made for each for the 2023 entry year. Also provided is the number of places available at each school, for this year of entry, and confirmation of the criterion of the last offer made. Please note: this information is subject to change.

Also shown is data relating to the number of offers available, and made, in relation to Warwickshire maintained schools that have utilised the specific over-subscription criteria relating to applicants in receipt of – or under – one of the following: Pupil Premium (PP) or Service Pupil Premium (SPP), a Child in Need Plan (CIN) and a Child Protection Plan (CP).

If you have named a school outside of Warwickshire on your application, you will need to contact the relevant Local Authority of that school to discuss the outcome of your application for that school further.

If you live within Warwickshire Local Authority and we are unable to meet any of your preferences, we will allocate a place at the next nearest school with vacancies available, after all on time applicants have been considered.

**Breakdown of offers for Warwickshire Schools
Transferring to Year 3 at a Junior School - September 2023**

Note: Rows that are white signify Warwickshire maintained schools, meaning that the local authority is the admission authority for the school.

Rows in blue signify a school that is its own admission authority, for example, an academy or a voluntary aided school.

Data correct as at 17/04/2023 but subject to change
