

**Etone College**  
A proud member of  
**Matrix Academy Trust**

For the academic year 2026-2027

Etone College is part of the Warwickshire County Council co-ordinated scheme (Year 6-7 Transition Only)

All dates referred to within this document are in line with this scheme.

Warwickshire Preference forms will be issued in June 2025

Closing Date – 31<sup>st</sup> October 2025

Notification date – 1<sup>st</sup> March 2026 (or next working day if 1<sup>st</sup> March is not a working day).

The school, as its own Admissions Authority, is required to consult on admission arrangements every seven years, unless there has been a change to the criteria. Once the consultation process has taken place, determined arrangements are forwarded to consultees.

For Year 7 admissions, it should be noted that where a child meets the admissions criteria of two or more schools named on the 'Preference form for Warwickshire Schools' then Warwickshire Children's Services will allocate a place at the highest ranked of these schools.

For admissions to Sixth Form, applications should be made directly to Etone College.

## Etone College

Leicester Road, Nuneaton, Warwickshire, CV11 6AA

### ADMISSION ARRANGEMENTS 2026-2027

Etone College is a mixed 11-18 academy with 1189 pupils. It is part of the Matrix Academy Trust and the school's admissions policy is in accordance with the guidelines given below.

Details of the school's priority area can be found on the Warwickshire County Council Website:  
<http://www.warwickshire.gov.uk/admissions>.

#### **Entry into Year 7 September 2026**

Students will be admitted at the age of 11 years without reference to ability, aptitude, race or religion. The number of intended admissions in 2026 will be **180**. Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below:

**1. Children in Public Care (Looked After Children) and previously Looked after Children** Definition: A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions.

**2. Where a child has an older sibling currently attending the school when the application is made and who will be still attending the school at the proposed admission date**

Definition: a child who resides at the same address as the child for whom a place is being requested and is one of the following:

- A brother or sister sharing the same parents
- Half brother or sister sharing one common parent
- Step brother or sister (i.e. related by parent's marriage)
- Any other child for whom it can be demonstrated that he or she is residing permanently at the same address (e.g. under the terms of a residency order)

**3. Where there are essential medical or social grounds for admitting the child**

Definition: relevant medical or social grounds that show attendance at the school is essential and supported in writing by a medical practitioner or social worker.

**4. Children of Staff employed at the Academy**

Where a member of staff (\*\*\*) has been employed at The Academy for two or more years at the time at which the application for admission is made/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage / or the member of staff has been seconded to support another school within the Matrix Academy Trust.

\*\*\* All full time teaching staff

All full time support staff – (defined as those on a 37 hour week and above contract)

The definition does not include contract staff. If service has been 'in house' and is subsequently 'contracted out' children of staff will no longer be eligible for priority admission under this criterion.

## 5. Children living in the priority area

### 6. Proximity of the child's home to the school, with those living nearest being accorded the higher priority, the distance being measured in a straight line

Definition of home address: the home address of the child is considered to be the permanent residence of a child in a residential property when the place is offered. The address must be the child's only or main residence and is either owned by the child's parent, parents or guardian or leased to or rented by the child's parent, parents or guardian under lease or written rental agreement of not less than six months duration. Distance will be measured in a straight line from the centre point of the home address to the centre point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Where parents have shared responsibility for the child and the child lives with both parents for part of the week then the main residence will be determined as the address where the child lives the majority of the week. If the child equally shares living with both parents, the parents must inform the Local Authority which address should be used for admission purposes and which parent will make the application. Parents will be requested to supply documentary evidence to support the address used for the application.

In the event of an oversubscription in any of the above categories, places will be allocated according to those that live closest to Etone College as calculated on the basis of a straight-line measurement between the home and school whose circumstances remain unchanged on the day of admission.

The school reserves the right to withdraw the offer of a place if a change in circumstances between allocation and admission would have resulted in a child not being offered a place at the time of allocation.

## Children with an EHCP

Any child with an Education Health & Care Plan is required to be admitted to the school that is named in the plan. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

## Applications for children to be admitted outside of their normal age group

Parents who wish for their child to be considered for admission to a class outside of their normal age group must make an application for the normal age group in the first instance by 31<sup>st</sup> October 2025. This will include parents whose child is currently being educated outside of their normal age group but where the child has reached the normal age of transition to secondary school (i.e. normal age group is Year 6; however child is being educated in Year 5). Parents may request that the child continues to be educated outside of their normal age group and be admitted to Year 7 in September 2027 rather than Year 8.

**Any parent wishing to make such a request must put the request in writing to the Clerk to the Academy Trust Boards Admission Committee by no later than 31<sup>st</sup> October 2025. This request should be in the form of a written letter of application** outlining the reasons why they wish for their child to be admitted into a class outside of their normal age group and enclosing any supportive evidence and documentation that they wish to be taken into account as part of that request. Requests will be considered on an individual basis and decisions will be reached by taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The view of the **Headteacher** of the preferred school concerned will also be sought as part of the decision-making process.

If the request is agreed and the year group for which the parents have requested a place is for a future year group, i.e. Year 7 in September 2027, then the original application is withdrawn, and the parents must submit a fresh application for a school place in September 2027 when applications open in the autumn term of 2026. **Please note that parents only have the right to defer their application and re-apply for a place.**

Where the decision is to agree the request for an application in Year 7 the following year, that application is considered alongside all other applications received and parents will be advised of the outcome of that application on national offer day. **No place is reserved or held for the child in advance.**

Parents should be aware that if the request is agreed and the child is admitted outside of their normal age group in September 2027, the child will remain with their adopted cohort and be educated outside of their normal age group for the remainder of their education at the school. However, should a request be made to transfer from the allocated school to an alternative school, parents will need to apply to the admission authority of the new school to request that the child continues to be educated outside of their normal age group. Before any application is submitted it is strongly recommended that parents/carers also read the DfE guidance which can be found at: <https://www.gov.uk/government/publications/summer-born-children-school-admission>.

### **Waiting List Policy (Year 7 Intake)**

Waiting Lists for all Warwickshire Schools will be maintained by Warwickshire Children's Services until the last day of the autumn term. From 1<sup>st</sup> September 2026, parents have been asked to make enquiries by contacting Etone College Admissions on 02476 757300.

Parents wishing their child/ren to be placed on the Waiting List should contact the Etone College Admissions in writing to make their request.

### **In-Year Admissions**

The school manages its own mid-year admissions. Applications for in-year admission (age groups other than the normal year of entry) must be made to Etone College Admissions using the mid-year admissions form on Etone College's website.

Parents will be notified of the outcome of their application within 15 school days of receipt of a completed mid-year application form.

### **Appeals**

Parents whose children are refused admission to the school have the right of appeal to an independent appeal panel. The necessary forms and information should be obtained from the Etone College website or the Clerk to the Governing Body, Etone College, Leicester Road, Nuneaton, Warwickshire CV11 6AA to whom completed forms are returned. Please mark the envelope **ADMISSION – APPEAL**. Appeals in respect of Year 7 intake for September 2026 should be lodged by Friday 10<sup>th</sup> April 2026.

### **Sixth Form Admissions Policy**

#### **Entry Requirements for Year 12 – Entry in September 2026**

The maximum sixth form capacity for Year 12 for September 2026 is 120. Priority is given to Year 11 Etone College pupils. This number may be exceeded if demand for available courses can be met.

## **Minimum entry requirements for Year 12**

Pupils will be considered for entry into Year 12 based upon their academic attainment and/or individual subject grade criteria and the availability and suitability of courses at Etone College.

Etone College's minimum entry requirements for post 16 are as follows:

The minimum entry requirement for admission into Year 12 is 5 grade 9-4 or equivalent at GCSE in 5 different GCSE subjects including English Language and Maths, with many courses requiring a grade 5 at GCSE for entry. There are also course suitability and individual subject availability criteria requirements for some courses, available on request.

Pupils refused a place in Year 12 in their own school or academy are entitled to appeal to an independent appeal panel.

To progress from Year 12 to Year 13, students must meet the academic selection criteria we set. Students will be notified of these criteria prior to them taking up their places in September of Year 12.
