# 1. Legal Framework and Guiding Principles

- 1.1 Academy Transformation Trust is a multi-academy trust consisting of academies in the East and West Midlands and in the East of England. Our Trustees are the admissions authority for all our academies, and they apply all aspects of the regulations and procedures detailed in this policy fairly and equally to all those who wish to attend one of our academies.
- 1.2 This policy has due regard to the following legislation and any regulations thereunder:
- The *School Admissions Code* (2021)
  - The *School Admission Appeals Code* (2022)
  - The *Equality Act* (2010)
  - The *Human Rights Act* (1998)
  - The *School Standards Framework Act* (1998)
- Further information on the regulations related to academy admissions can be found [here](#).
- 1.3 All children with an Education, Health and Care Plan (EHCP) that specifies the academy as the placement school will be automatically admitted. Information on the academy's local SEN offer can be found on the academy's website.
- 1.4 Where fewer applications are received than the number of places available for a relevant age group (i.e., the normal age that pupils are admitted to the academy), all applicants will be offered a place.
- 1.5 Where there are more applications than places for a relevant age group, the oversubscription criteria detailed at 5.1 will be used to determine which children are offered a place.
- 1.6 The Local Governing Body (LGB) for the academy has responsibility, on behalf of ATT's Directors, for monitoring the application of this policy to ensure fairness and consistency across our Trust.
- 1.7 For the purposes of this policy, working days are defined as days when the relevant academy is open to pupils.

## 2. How to Apply for a Place at The Queen Elizabeth Academy

- 2.1 If you are applying for a place during the normal admissions round, you should use the Common Application Form (CAF) provided by the local authority.
- 2.2 The normal admissions round refers to applications to start at the academy in Year 7 and when other children are normally admitted. Please see [Section 3](#) for details regarding in-year admissions and [Section 11](#) for how we deal with other specific circumstances.
- 2.3 If you wish to apply for a place at The Queen Elizabeth Academy please check the application process for the local authority by visiting their [website](#). Please ensure that you submit your application either in writing or online, but not by both methods. For the purposes of this policy, this type of application process will be referred to as CAF submission.

The deadline for applications during the normal admissions round, to take up a place in September 2026 is 31 October 2025 for admissions into Year 7 and Year 12

- 2.4 Applications received after the deadline will be treated as late applications and considered in accordance with the local authority's co-ordinated scheme. Details of this will also be available on the local authority's website.
- 2.5 Applications submitted later than the start of the academic year (after 1 September 2026) must be submitted as an in-year admission (see [Section 3](#)).
- 2.6 For admission into any year groups other than year 7 or after the deadline, see [Section 3](#) below.

## 3. In-Year Admissions

- 3.1 In-year admissions occur when an application for admission is made outside the normal admissions round. Since 1 September 2021, all in-year admissions are conducted by individual ATT academies.
- 3.2 Initial applications for in-year admissions should be made directly to the academy. Applications will be considered by a panel of 2 members, established by the governing body from amongst:
- The Principal or senior member of staff in charge of admissions in the academy
  - The Chair of the Local Governing Board
  - Trust Leaders
  - External admissions consultants.

3.3 The details of the in-year application process are available in the In-Year Admissions Application Form available at [Appendix 2](#), or by contacting the academy directly at The Queen Elizabeth Academy, Witherley Road, Atherstone, Warwickshire, CV9 1LZ.

3.4 In the case of **all in-year admissions**, applications that have been made directly to an academy for year groups other than the usual points of entry will be put to the academy's admissions authority panel to determine if places are available, or whether admissions would cause prejudice to the provision of an efficient education.

3.5 The academy admissions panel will issue a decision on an individual admission within fifteen working days following receipt of an application.

## 4. How Many Pupils Will Be Admitted?

4.1 The Trust has set the number of pupils that will be admitted during the normal admissions round. This number is the Published Admissions Number (PAN). PAN applies to all year groups.

4.2 If the number of applications received for the academy exceeds the PAN, the oversubscription criteria will be used to determine which pupils are allocated a place.

4.3 The PAN for The Queen Elizabeth Academy is 120.

## 5. Oversubscription Criteria

5.1 If there are more applications for places than there are places available, we will give preference to children according to the following criteria, in this order of priority:

- i. **Looked after children and all previously looked after children**, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.  
*A full definition of Looked after children and previously looked after children can be found in [Appendix 2](#).*
- ii. **Children whose siblings live at the same address**, currently attend the academy and who will still be attending the academy at the point of admission. For the purposes of this policy a sibling is classed as children living permanently at the same address as a child already attending the academy and either have one or both parents in common, are related by a parent's marriage or civil relationship, are adopted or fostered by a common parent, or are related to children who live at the same address whose parents live as partners.

- iii. **Children of permanent teaching and support staff** of an ATT academy who have been employed at the academy for 2 years or more at the time of application, or a member of staff who is recruited to fill a vacant post for which there is a demonstrable skill shortage at the same academy.
- iv. **Other children by catchment area** and then by distance from the academy. Following consultation with Warwickshire County Council the catchment area is determined as the parishes of Atherstone, Baddesley Ensor, Mancetter, Baxterley, Merevale and Bentley. Priority for admission will be given to children who live nearest to the academy (as measured by a straight-line distance) from the child's property address point to the academy's property address point.
- v. **Other children outside the catchment area** by distance from the academy. Priority for admissions will be given to children who live nearest the academy as measured by a straight line distance from the child's property address point to the academy's address point.

5.2 There is one situation which overrides the use of the oversubscription criteria detailed in section 5.1: children who have an EHCP which names a specific school must by law be offered a place at that school (see 11.5).

5.3 For information regarding children of Crown servants and UK service personnel - please see [Appendix 3](#)

## 6. Application of Oversubscription Criteria

6.1 The address given on the application form will be used to assess whether another child attending the academy is living at the same address. The child's address will be compared to the addresses held in the academy's records.

6.2 The address given on the application form will be used to assess the straight-line distance between the child's property address point and the academy's property address point.

6.3 We will accept changes to the address up to the point of allocation (CAF submission) deadline.

6.4 If, following the application of the oversubscription criteria, two or more applicants are judged to have equal priority for the final place at an academy, random allocation will be used to determine who receives the place. Where random allocation is used, the names of the applicants will be entered into a hat and a name will be selected from the hat by someone independent of the academy.

6.5 An exception to 6.4 is where the applicants judged to be of equal priority live at the same address. In this case, the academy will admit them all.

- 6.6 Where a child lives with parents that have shared responsibility for the child, the address used is the home at which the child mostly wakes up on school days. Where responsibility is shared equally, parents should submit full details (including any documentary evidence) at the time of application.
- 6.7 When considering applications from children of UK service personnel we will allocate a place in advance of the family arriving in the area (as long as a place is available), provided the application is accompanied by an official letter that declares a relocation date. We will use the address at which the child will live when applying our oversubscription criteria as long as some evidence of the parents intended address is provided. We will use a unit or quartering address as the child's home address when considering the application against our oversubscription criteria, where a parent requests this.

## 7. When Do I Find Out Whether My Child Has Been Offered a Place?

- 7.1 If you have applied using the CAF for Year 7 and your application was submitted by the deadline, you will receive notification from the local authority advising you of the school your child has been allocated. Notifications will be issued on 3 March 2026.
- 7.2 For late applications made using the CAF, you will receive a notification from the local authority advising you of the school your child has been allocated on the date specified by the local authority's policy on late applications.
- 7.3 Our admissions are administered by the Local Authority, and therefore representatives of the academy or our Trust are unable to comment on any application prior to the above dates.
- 7.4 Once a place has been allocated at the academy, the academy's Principal will contact you to provide further details of the induction process.

## 8. What Happens if I Have Not Been Allocated a Place in Year 7?

- 8.1 If your child has not been allocated a place in Year 7, their name will be added to the waiting list until the end of Year 7. The waiting list will then be cleared, and you will have to make an in-year application for your child to join the next year's waiting list (see 9.2). The *Admissions Code* does not permit waiting lists to roll over from one year into the next.

- 8.2 When additional applications are received, the list will be rewritten using the published criteria for oversubscription. If a place at the academy becomes available children will be admitted from the waiting list (see [Section 9](#)). In line with the *School Admissions Code 21 clause 2.15*, each added child will require the list to be ranked again in line with the published oversubscription criteria. Priority cannot be given to children based on the date their application was received, or their name was added to the list. Looked after children or previously looked after children allocated a place at the school in accordance with a Fair Access Protocol must be given precedence over those on a waiting list.
- 8.3 You also have the right to appeal the decision ([see Section 10](#)).
- 8.4 Repeat applications on behalf of the same child, for admission in the same academic year, will not be considered unless the applicant can provide evidence that there has been a significant change in the particular circumstances of that child and/or the academy.

## 9. Waiting Lists

- 9.1 The academy will maintain a waiting list for each year group. Children are only added to the waiting list following an unsuccessful formal application to join the academy.
- 9.2 In line with the *Admissions Code*, the waiting list for each year group is cleared at the end of each academic year and parents wishing to apply for future years would need to resubmit an application (see [Section 3, In-Year Admissions](#)).
- 9.3 Children are inserted into the waiting list in order of the oversubscription criteria detailed at [5.1](#). Each new application received will require the waiting list to be re-ranked in accordance with our over subscription criteria. Waiting lists are not prioritised by the date of applications or the date on which a name was placed on the list.
- 9.4 All local authorities must have a Fair Access Protocol, which each academy is required to be part of. This is to ensure that access to education is secured quickly for children who have no school place. Children who are dealt with under the protocol are likely to be the most vulnerable or present challenging behaviour and who cannot reasonably be managed through the normal admission process. Children admitted through the protocol may be placed in a year group which is full and will take precedence over other children on the waiting list. It is the local authority's decision to determine which children are dealt with by the protocol and the academy is obliged, as are other schools within the district, to admit a proportion of these children.
- 9.5 Eligibility for the Fair Access Protocol does not limit your right to make an in-year application for your child. Applications will be processed in accordance with our usual in-year admission procedures and children will not be refused a place on the basis that they may be eligible to be placed via the Fair Access Protocol. You will continue to have the right of appeal for any place your child has been refused, even if your child has been offered a school place via the Fair Access Protocol.

In most cases the use of the Fair Access Protocol should be unnecessary for a Previously Looked After Child.

## 10 Appeals Against Admissions Decisions

- 10.1 If you wish to appeal against our decision not to admit your child(ren) to The Queen Elizabeth Academy, you should complete the form at [Appendix 1](#) and submit it to the address specified.
- 10.2 For applications made during the normal admissions round for Year 7, the deadline for submitting an appeal is **20 school days** after the National Offer Day, which in 2026 is 03 March 2026.
- 10.3 Appeals will be heard within 40 days of the deadline for submitting appeals. Any late applications will be heard within this timeframe if possible, or else within 30 days of the appeal being lodged.
- 10.4 Once you have submitted your appeal form, we will acknowledge receipt of the form within five working days. We will then forward the appeal form to our admissions consultant who will organise for an appeal hearing to be heard by an Independent Appeals Panel and conducted in accordance with the School Admission Appeals Code (2022). There may be occasions when this is not possible, and in this case the Local Authority will be contacted to arrange an appeal.
- 10.5 The appeals hearing will take place prior to the end of the academic year for applications submitted during the normal admissions round. For in-year admissions, the hearing will take place within thirty working days of our receipt of the appeal.
- 10.6 You will receive at least ten working days' notice of the appeals hearing date and additional information will be provided at this time.
- 10.7 If you miss the deadline for lodging an appeal, we will try, where possible, to hear your appeal within the same timeframe as if it had been on time. However, if this is not possible, it will be heard at a later date.

## 11. Exceptions and Specific Circumstances

- 11.1 **EHCPs** - All children whose EHCP names the academy will be admitted. These children will be admitted irrespective of the number of pupils in the academy and before the oversubscription criteria are applied.
- 11.2 **Applications for Admission Outside a Child's Normal Age Group** It is expected that children will normally be educated within their chronological year group. However, parents or carers

can make a request to the academy in writing for a place outside their normal age group. This request should be in writing to the Principal stating why your child should be admitted to another year group and stating which year group.

The request will need to include, where relevant, any supporting evidence such as information about your child's academic, social and emotional development, their medical history and any views of medical professionals, and whether they have been educated outside their normal age group previously.

Decisions will be made as part of the main admissions round, unless the parental request is made too late for this to be possible, in which case a decision will be made within 30 school days of the application and supporting evidence being received.

Decisions will be based on the circumstances of each case and in the best interests of your child, in line with the School Admissions Code. This will take into account the views of the Principal and yourselves and any information provided by you. We will write to you with the outcome including the reasons for the decision. There is no right of appeal against a refusal to offer a place in a preferred age group. The right of appeal only applies against a refusal of a place at the school.

## Appendix 3

# Children of UK service personnel and crown servants

For families of service personnel with a confirmed posting, or crown servants returning from overseas, ATT as the admission authority will:

1. Allocate a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. As the admission authority ATT will not refuse to process an application and must not refuse a place solely because the family do not yet have an intended address, or do not yet live in the area.
2. Use the address at which the child will live when applying their oversubscription criteria, as long as the parents provide some evidence of their intended address. Admission authorities must use a unit or quartering address as the child's home address when considering the application against their oversubscription criteria, where a parent requests this.
3. Not reserve blocks of places for these children
4. Ensure that arrangements in their area support the Government's commitment to removing disadvantage for service children. Arrangements must be appropriate for the area and be described in the local authority's composite prospectus.
