ABOUT NATIONAL SATURDAY CLUB

Across the UK, the National Saturday Club gives 13-16 year olds the opportunity to study subjects they love for free, at their local university, college or cultural institution. Club members attend local classes every Saturday, for up to 30 weeks of the year, where professional tutors put

together an inspirational programme of weekly Saturday classes. Clubs also take part in national network events including Masterclasses with leading industry professionals, inspirational visits, trips and tours, and the opportunity to exhibit work in a major public exhibition.
