## AC Education

For Warwickshire schools we are offering the opportunity to access the AC Education Courses. The Virtual School will provide a log in which will allow you to log into the courses full list of courses can be found [here](#)

## Attachment Research Community (ARC) Membership

Becoming a member of ARC will open up professional and educational pathways within a membership platform with readily available resources, regional workshops, panel discussions and virtual events that allow our members to network and support each other. The ARC Pathway provides support for your development. It gives national recognition to key stages on your journey from ARC membership, to Bronze, Silver, Gold and Hub centre of excellence. Membership can be provided by the Virtual School. [ARC Website](#)

## Training via the Educational Psychology Service

Through our SLA with the EPS we have some availability for school / college face to face training. This can be whole school TIAAS (Trauma Informed and Attachment Aware Schools) support or bespoke sessions for staff groups which can include trauma, emotion coaching, resilience. Please contact the Virtual School for further information.

## Attachment and Trauma Training Programme

The programme is delivered to all school staff over one full day and one half day face-to-face sessions, plus a follow up and planning meeting for the senior management team. As an alternative, this can be delivered via a series of video conferences at times to suit the school. Each member of staff will also be provided with access to online courses. Further information can be found [here](#)

## Tuition offer

Please ensure that referrals are made to take up the tuition offer. This is for all of our Warwickshire CiC in all settings and is funded directly by the Virtual School in addition to any PP+ that you may receive. [Further details](#)

## 🎵 FUNDED MUSIC LESSON OPPORTUNITY FOR YEAR 4 CHILDREN IN CARE 🎵

We recognise that music and learning an instrument is a gift that can enrich lives and can stay with a person through to adulthood. At the Virtual School we are, therefore encouraging children in care to learn an instrument. Experiencing music develops children's wellbeing and cultural capital.

Across the West Midlands we have worked together to offer every Year 4 Child Looked After an opportunity for music lessons. If you have a service level agreement with the Warwickshire Music Service then they can be used to access these lessons and can be contacted directly. If you access music lessons from another source please contact the Virtual School to discuss - [virtualschool@warwickshire.gov.uk](mailto:virtualschool@warwickshire.gov.uk). This is a wonderful opportunity to broaden the experiences on offer for children in care.
