WHAT TOOK PLACE LAST TERM

Art event: Drumming workshop-

Young people enjoyed learning basic drumming skills and by the end of the session were able to play along to two different songs.

Sports:

HADO techno sport-

The interactive game involved young people wearing a headset and using movements to attack the other team. Fun was had by all that took part and enjoyed trying something new.

Allstars Leadership Academy-

Young people took part in a two evening workshop to complete a multiskills level 1 in sports leadership. The young people enjoyed learning the importance of sports games and activities and factors needed to take into account when planning sport sessions.

UNIGO!

Year 7's second session- A tour of Coventry University campus along with team building and HE activities.

Year 8's second session- masterclass in photography and law. Young people loved trying out photography equipment and learning new skills. Also, taking part in some thought provoking debating in Law.

Year 9's second session- An insightful careers day where the young people got to look into different careers paths, dressing up in all types of uniforms and got first hand accounts on how people found their career and the path they took.
