

Fully funded **Attachment & Trauma** training for early years

Equip yourself with evidence-based tools to nurture secure, positive relationships with young children, including those facing the biggest challenges. Our fully funded coaching sessions will help you create an attachment-aware, trauma-informed environment where every child can thrive.

What's included

- 3x virtual coaching sessions with flexible dates in May
- Follow-up leadership session in June

Who it's for

- Nursery staff, childminders, and out-of-school club teams
- Anyone working with or supporting young children

Why join?

- Gain practical strategies to help children feel safe and supported
- Learn to recognise and respond to attachment and trauma-related behaviours
- Strengthen emotional wellbeing in your setting

Spaces are limited – book your sessions now!
