

University Explorers 2026

What you'll do:

See the campus

Tour the campus and find out what the University has to offer.

Meet current university students

Talk to our friendly ambassadors, who will be there to help you each week.

Enjoy new activities

Experience university taster sessions, creative tasks and learn new things.

Develop essential skills

Build skills such as speaking, listening, problem solving, adapting, creativity, teamwork and planning, to help you succeed.

“

*I have made
forever friends.*

”

Year 6 pupil, 2025

Explore a university,
take part in fun activities
and make new friends!
