VEHICULAR ACCESS PERMITS

Explanatory Note

1. Under the provisions of the Warwickshire County Council (Henley Street and Meer Street, Stratford-upon-Avon) (Traffic Regulation) (Variation No.1) Order 2011, between the hours of 11.00am and 6.00pm daily, vehicles, with certain specified exemptions, are banned from entering the Pedestrian Priority Area.
2. A vehicle is exempt from this ban if it is proceeding to or from its owner's usual residence or workplace on Meer Street which has off-street parking or garaging facilities accessible only from the highway covered by the Pedestrian Priority Area. The exemption does not include other vehicles associated with a dwelling or business in the area, including delivery vehicles.
3. The Warwickshire County Council (Henley Street, Stratford-upon-Avon Prohibition of Vehicles) Order 2019 prohibited vehicles from entering Henley Street from Windsor Street and effectively removed eligibility to obtain vehicular access permits for Henley Street. This note therefore applies only to Meer Street premises.
4. Anyone who owns a property or business which has such off-street facilities may apply for an access permit. This should be done on an application form obtainable from Traffic and Road Safety at Warwickshire County Council (contact Sam Hansen on 01926 412954) or downloaded from www.warwickshire.gov.uk/parking. A proximity card will also be provided to operate the hydraulic bollards which restrict access. This card is issued free of charge but a replacement card will cost £35.00.

5. The permit only covers the use of the vehicle for the purposes outlined in 2. above. It does not allow the use of Meer Street as a through route. **Nor does it allow the vehicle to be parked on-street, including in the loading bays.**
6. The permit must be clearly displayed on the windscreen of the vehicle and is not transferable between vehicles. **A new permit must be requested when the vehicle is replaced.** The proximity card can be retained while a new permit is being issued.
7. If the permit-holder ceases to have use of the off-street parking or garaging facility, the permit and proximity card must be returned to Warwickshire County Council.
