

WARWICKSHIRE COUNTY COUNCIL

**PROPOSED TRAFFIC SIGNAL JUNCTION – GALLOWS HILL / DEVELOPMENT
ACCESS ROAD, WARWICK**

Warwickshire County Council hereby gives notice of its intention to install traffic signal junction with pedestrian and cycle crossing facilities on Gallows Hill, Warwick, at the junction of the new development access road, in accordance with the planning condition for the development of: - (i) 450 dwellings; provision of two points of access (one from Gallows Hill and other one from Europa Way) and (ii) development of 425 dwellings, Medical Centre and Community Hall, these developments refer to Warwick District Council Planning Application reference numbers W/14/0681, W/14/0947 and W/19/1666).

A copy of this notice and plans showing the location of the proposals can be inspected at Warwickshire Direct in Shire Hall, Market Place, Warwick. The plan is also available to view on our website www.warwickshire.gov.uk/trafficsignals or please use the contact details below to request a copy.

Any enquiries relating to the proposals may be made to Ian Stuart, Engineering Design Services, Warwickshire County Council (telephone number 01926 738747). Any objections or representations to the proposals, which must be in writing and specify on the grounds on which they are made, should be addressed to Ian Stuart, Engineering Design Services, Environmental Services, Communities Directorate, PO Box 43, Shire Hall, Warwick, CV34 4RL or sent by email to ianstuart@warwickshire.gov.uk (Objections, representations, and the name of the objector or person making a representation, will normally be treated as public information and may be published. For further information on how Warwickshire County Council processes personal data please refer to the Customer Privacy Notice which is available at <https://www.warwickshire.gov.uk/privacy>). Objections and representations must be sent so as to be received by 10 January 2023.

The Council regrets any inconvenience that may be caused due to the works.

S Tompkins
Assistant Director
