*Public drop-
in event: A4177
Birmingham
Road highway
improvements*

*Talk to us about the upcoming highway
improvement works on A4177 Birmingham
Road, Hatton - see more details overleaf.*

Hello,

As you may know, work is due to commence on the A4177 Birmingham Road in Hatton at the end of October.

We are required to undertake these works as part of planning permission for the new homes at Union View. As well as providing safe permanent access to the site, there will also be highway improvements, including resurfacing, shared footway/cycleway widening, new and upgraded drainage, upgraded street lighting, and the installation of a new pedestrian crossing facility with a refuge island.

The works are programmed to take 11 months to complete, with traffic management systems in place that have been designed to meet the requirements of Warwickshire County Council and minimise disruption as much as possible.

Find out more:

We will be holding a public drop-in event at **Hatton Park Village Hall, Barcheston Drive, Hatton Park, Warwick, CV35 7TR** on the 13th of October between 4-7pm.

Members of the project and site team and officers from Warwickshire County Council will be on hand to answer any questions you may have.

If you are unable to attend, you can email your questions to: **hatton-residents@taylorwimpey-pr.co.uk** Our team will be monitoring this inbox until the 31st of October.
