Progress Update 22 April 2025

Phase 3 - Initiation Works

Phase 3 initiation works from the veterinary surgery to St Peter's Way were completed on 11 April 2025 on the inbound footway between the Vets and St Peter's Way has been widened.

Phase 3 section 1

Phase 3 section 1 works commenced on Monday 14 April 2025 from St Peter's Way to Joseph Way northside with narrow lanes in place. The works are progressing well and include widening the footway to 3m and resurfacing.

The General Arrangement drawings of the new Phase 3 road layout are available to view at the following links:

Completed - Phases 1 & 2

Phase 1, from Windsor Street to Arden Street was completed in January 2022.

Phase 2, from Bishopton Roundabout to The Avenue, was completed in February 2025. Both schemes bring a significant improvement to drainage in the area as well as making road crossings easier. Improved and new shared-use cycleways and footways have been created to allow quicker access to local facilities, including to the bus and rail park and ride.
