

Desktop survey undertaken from google street view with imagery dated September 2024

All traffic management shall comply with all current legislation and guidance including Chapter 8, Safety at Street Works and Road Works (A Code of Practice)

Pedestrian management to be installed and managed to suit site conditions in accordance with current legislation & codes of practice by the contractor unless otherwise stated

All signage and road markings shall conform with the Traffic Signs Regulations and General Directions (TSRGD)

Sign locations are indicative only, exact location to be determined on site

Suitably qualified operative to assess site to ensure the installation complies with all current legislation. Any issues and/or changes from the original design should be immediately reported to the relevant contracts manager/designer

The design is only valid for 12 months from date of production and should be re-evaluated if installation is to take place after this period
