

Wheat Street Junction

Update 14 May 2026

WCC are pleased to announce that construction of Phase 1 of the A444 Wheat Street Junction Improvement Scheme began as planned on the 5th May 2026.

The works on Phase 1 are anticipated to be completed by Winter 2026-27.

The second phase will be carried out in advanced of commencement of the Leicester Road Gyratory Scheme, and updates regarding this will be shared in due course.

You can view the scheme drawing detail and scheme proposals by visiting the Wheat Street/Vicarage Street Junction section of the website here:

<https://www.warwickshire.gov.uk/major-transport-construction-projects/transforming-nuneaton-highways/6>.

WCC is working closely with Nuneaton and Bedworth Borough Council (NBBC) to minimise disruption in the area, but for more information, please check our noticeboards in the library and on Justice Walk, or check the Vicarage Street webpage (<https://tinyurl.com/vicaragest>).

Please accept our sincere apologies in advance as we understand the following closures may cause some inconvenience.

Road and Footway Closures and Diversion Routes

We are pleased to advise that the nighttime closure which was required on Vicarage Street from the 8 May 2026 for two nights was carried out successfully and we would like to thank everyone for their cooperation during this closure.

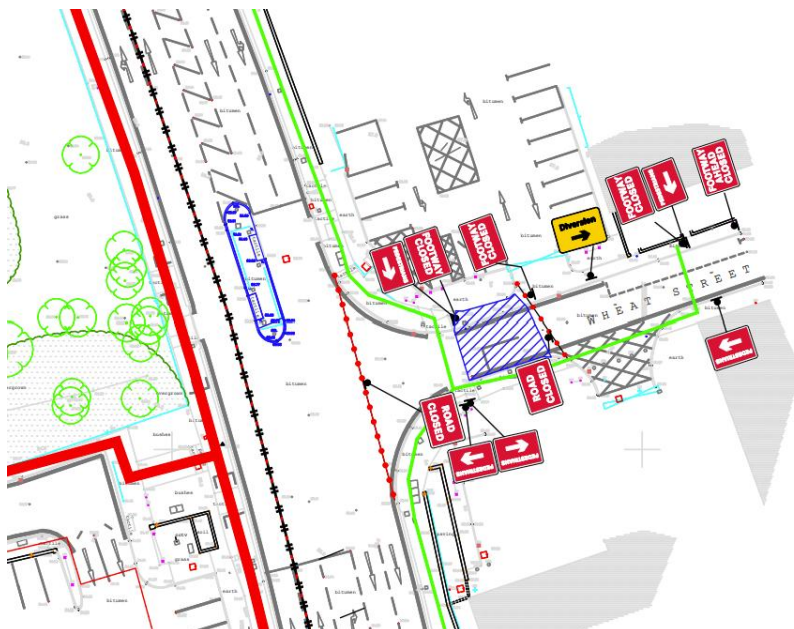

Further overnight closures will be required over the course of the project, and information regarding the closures will be shared at the earliest opportunity as the need arises.

The plans below show the road and footway closures with diversion routes which will come into force at specific times during the works.

For everyone's safety please ensure the diversion routes, which will be sign posted, are strictly followed.

.....
