

APT

Connected adopters

APT: An adoption support group run by adopters for adopters.

To offer a safe place for adopters to share their experiences and successes with a group who appreciate that family life is different in all our homes.

All adopters are welcome to join at any time in their adoption journey.

The group will meet 6 times a year offering time to talk. We will share a drink, biscuits, our stories; and everything discussed in the group will be treated with respect and be confidential.

To cover the venue cost a £1 contribution would be appreciated.

If you would like to get in touch you can email Joanne at aptcov@btinternet.com.

Meeting will be held 7:00pm -8:30pm.

Venue: The Parish room Our Lady of the Assumption, 650 Tile Hill Lane, Tile Hill, Coventry CV4 9TA
