Risk Assessment for (Activity/Process/Operation)

Generic – all educational activities/events A17

Service	Communities	Team / Section	Country Parks		
Assessment Date	23/1/26	Review Date	23/1/27	Reference Number	A17

What are the hazards (i.e. what can cause harm)	Who might be harmed and how? (e.g. employees, pupils, members of the public, etc. and the significant risk(s))?	What existing control measures are in place to reduce / prevent the risk? (i.e. what are you already doing?)	Considering existing controls, what is the current risk level (i.e. high, medium or low – use the matrix above)	Further Action to be taken to control the risk? (i.e. only record action/additional controls measures you are going to implement)	Assigned to	Completed by whom & when
Misunderstanding of the events and activities that have been booked	Any participant – not prepared for activity – distress/injury/wellbeing.	Pre-visit information sent out to all schools and organisations, giving details of ratios and activities. All details of events provided at time of booking.	L			
Lack of knowledge of site geography.	Participants may become lost leading to distress/injury	Preliminary visit is offered to schools' 'responsible person', so they can become familiar with the site. Map of site available on the ground.	L			
Physical, sexual, and verbal abuse	Anyone can be a victim	Staff are instructed not to be alone with children, and to behave appropriately. Staff all made aware of the safeguarding policy and the green	L
