

English for Speakers of Other Languages (ESOL) courses.

Thank you for considering joining our Adult and Community learning courses.

Please click on 'Find a Course' below on this page. Then click on the image that reads English for Speakers of Other Languages (ESOL). At the next page you will see an image of a shopping trolley. Click on this to go to the application which will register your interest in joining one of the courses below.

All who apply will be contacted and asked to attend an assessment. This will be face-to-face or online. We will assess your speaking, listening, reading and writing skills and discuss with you the best course for your ability. You will be able to say which venue you'd prefer to study according to where you live. **We are not able to guarantee you can join the course of your choice from these lists.**

We expect a lot of interest in the ESOL courses and would ask for your patience as it may take some time to get to your application. Applications will be managed on a first come, first served basis.

If necessary, you will need to plan for childcare as we are not able to accommodate children in our ESOL classes.

If you have difficulty applying online, we have three face-to-face events where you can apply to enrol on any of our adult learning courses:
