Warwickshire Adult & Community Learning
Course Venues and Times 2022/23

Look at what we offer! Online and at our Community Centres:

English & Maths
Are you interested in improving your English or Maths skills, or need a qualification?

Computers and Technology
We offer courses for beginners and advanced learners. We offer Specialist Courses, such as Web Design, Digital Graphics and Understanding Software Applications

Many Free Courses on Offer!

English for Speakers of Other Languages
If English is not your first language and you are not confident with, speaking, reading and writing, then we have a course for you!

Creative Courses
We offer a range of courses for beginners to experienced learners, in Art, Textiles, Fashion, Singing for Fun and Sugarcraft. We can give you the skills and confidence you need to create and exhibit your own work.

Languages
We offer a range of courses for beginners to experienced learners, in Italian, Spanish, French and Japanese!

Family Learning
We help parents and carers with valuable support for their child's development. Our courses are delivered in Early Years settings, Schools, Children and Family Centres, Community venues and online.

Learning for Learners with Difficulties and Disabilities
We offer a range of courses to support Active Learning, such as Life Skills, Art, Gardening and Cooking.
