WELCOME TO WARWICKSHIRE HERITAGE LEARNING

Warwickshire Heritage Learning is back with our range of immersive and creative workshops that will inspire your students and bring the past to life!

Our workshops inspire curiosity, encourage the creative learner, foster enquiry-led learning, create a love and appreciation of heritage, enable critical thinking and support decision-making.

The subscription loan box service, combining real museum objects and virtual learning workshops, makes your classroom part of Warwickshire Museum and the children curators of the museum. At the same time increasing your access to cultural capital rich learning.

To read more about how our workshops will benefit your class and support your teaching please visit our webpages at heritage.warwickshire.gov.uk/education

We look forward to welcoming you and your class to one of our workshops, and to supporting you in enriching your classroom activities through our subscription loan box service.

If you have any questions or queries, please do not hesitate to get in touch.

LOAN BOX SUBSCRIPTION SERVICE

Our loan boxes contain objects from Warwickshire Museum normally reserved for display in the museum, offering children the opportunity to become curators and care for Warwickshire's history in their school.

Each loan box is supported by videos, quizzes and games you can access in the classroom and use any time during the loan. Enhanced members can also book live, interactive, virtual workshops.

Bespoke membership packages can be agreed if either of the membership packages don't suit your school or multi-academy trust. If there is a topic or theme you would like from a box not currently offered, we can create new boxes upon request, if our museum collections can support it.

EXAMPLES LOAN BOX THEMES INCLUDE:

Ancient Romans, Ancient Egyptians, Anglo-Saxons, Stone Age to Iron Age, The Victorians, World War II, Fossils, Jurassic Warwickshire, Volcanoes, Explorers, The Seaside

VIRTUAL WORKSHOPS AVAILABLE:

Ancient Romans, Anglo-Saxons, Stone Age to Iron Age, Ancient Egyptians, Fossils, Volcanoes

TOYS AND GAMES

**SUITABLE FOR
KEY STAGE 1**

DELIVERED AT

In your classroom or at St John's House Museum, Warwick

DURATION

1 hour

MAIN FOCUS

Continuity and change, materials, classification

CURRICULUM TOPICS

History, Science

Your class will enjoy a fun, interactive workshop and learn about toys and games through time, using real and replica objects. Pupils will investigate the variety of everyday materials that toys have been made from, both in the past and today.

Through play and discussion, they will explore how toys move and understand how toys can demonstrate the historical concept of continuity and change.

The toys used in the workshop can be played with and are from living memory, so they are toys the children might play with, and their parents and grandparents would also have played with. There are some more historical examples of toys included in the workshop.

THE GREAT FIRE OF WARWICK

SUITABLE FOR
KEY STAGE 1&2

DELIVERED AT
Begins at Market Hall Museum, Warwick
and ends at St John's House Museum

DURATION
3 hours, 10.15am - 2.15pm

MAIN FOCUS
Fairness, responsibility and destruction

CURRICULUM TOPICS
History, English, Citizenship

Memorandum
It is agreed by and between the Comendator
John of Saint William Smith Comendator
and Francis Smith as follows
That they the said William Smith Comendator
and Francis Smith shall dig and lay a foundation of
stone and wall around the church at the west
end of Saint Mary's Church in order to build a
New Tower there according to the draught now
lying before the Court which that they shall and
will let their own proper cost and charges
remove and carry away all rubbish that shall
be dug out of the ground in order to lay the
foundations of the said Tower
and also it is agreed that they the said William
Smith Comendator and Francis Smith shall
also give the parish of Warwick four above the
ground on the foundations aforesaid in order to
carry the said Tower and five ad above and
workmanship about the said parish of Warwick
the Court giving all necessary stone and carriage
thereof to Warwick
and the said Comendator agree and sign that
they the said William Smith Comendator and
Francis Smith shall in consideration of digging

This workshop is a fantastic way for children to learn about a significant historical event in their own locality through written accounts, objects, and a guided trail of Warwick.

Children will explore the effects and impact of the fire through the eyes of 'real life' eyewitnesses, and step into their shoes to plead their case for compensation to Lord Brooke of Warwick Castle. Children will have to decide what they think is fair or unfair in their discussions.

The historical concept of cause and consequence is a key theme that runs through this workshop. The themes and issues have parallels with the 1666 Great Fire of London.

STONE AGE TO IRON AGE

SUITABLE FOR
KEY STAGE 2

DELIVERED AT

In your classroom

DURATION

4 hours, from 9.30am to 3pm,
with 1.5 hours of breaktime

MAIN FOCUS

Chronology, change, technology

CURRICULUM TOPICS:

History, English, Citizenship

This exciting story world adventure takes the children into an electronic game where they must prove their knowledge of each level (Stone Age, Bronze Age and Iron Age) to progress in the game. Children will explore what people ate, the homes they lived in, the tools they used and the skills they deployed in each era.

This workshop includes many activities that allow students to handle original and replica objects from the Stone Age, Iron Age and Bronze Age, and engage in activities in role as game players. The historical concept of continuity and change runs through the workshop.

The children will be challenged with tasks that give them the opportunity to discuss their opinions about the lives of people in other times.

STONE AGE SKILLS AT KINGSBURY WATER PARK

SUITABLE FOR
KEY STAGE 2

DELIVERED AT

Kingsbury Water Park,
near Sutton Coldfield

DURATION

4 hours, from 10.15am to 2.15pm

MAIN FOCUS

Similarity, survival, change and continuity

CURRICULUM TOPICS

History, English, Design, Technology

A day exploring skills needed to survive the Stone Age, with the opportunity to handle replica Stone Age tools with Warwickshire Museum. This hands-on experience teaches pupils how different life was for people in the Stone Age. Spend time with a Ranger learning to build shelters from the materials in the woods and light fires without a match. Workshop includes an hour's handling session with replica Stone Age tools with Warwickshire Museum. Learn how different tools were made and what they were used for.

A significant part of the workshop takes place outdoors. The workshop will go ahead in all weathers unless the Rangers make the decision to cancel in the case of extreme weather. Pupils will need to come suitably dressed for the forecasted weather.

ANCIENT ROMANS

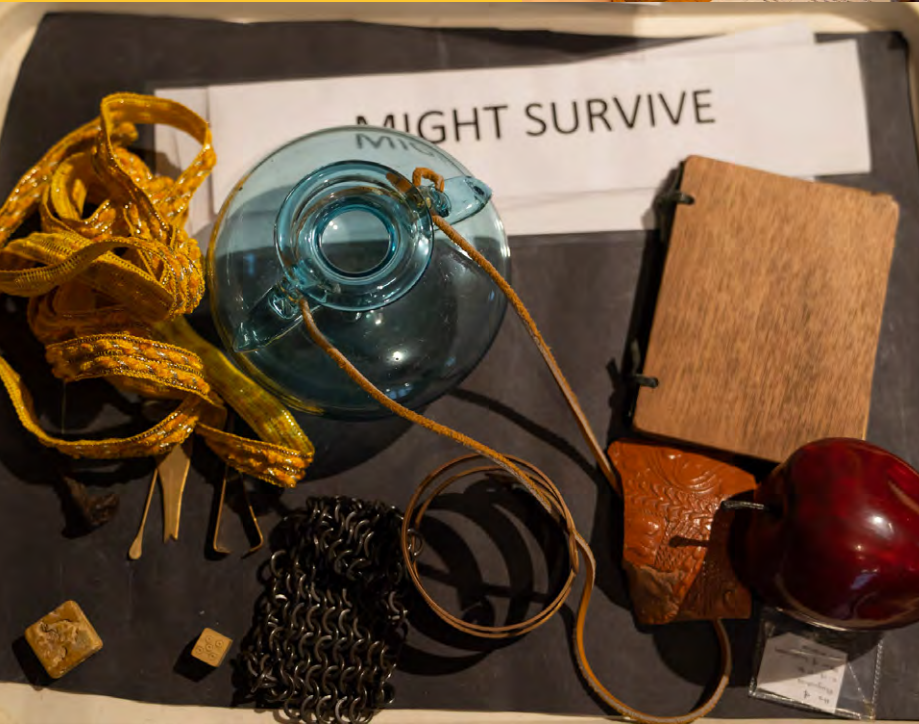

SUITABLE FOR
KEY STAGE 2

DELIVERED AT
St John's House Museum

DURATION
3 hours, from 10.15am - 2.15pm

MAIN FOCUS
Resistance, legacy, identity

CURRICULUM TOPICS
History, English, Citizenship

This exciting story world adventure takes the children through a portal to a Roman settlement, found on the site of an archaeological dig, whilst searching to retrieve an item accidentally left by a curious archaeologist.

The children find themselves caught up in the tensions between Boudica and the Roman legions. They will be asked to decide if they want to support Boudica or the Roman way of life. This workshop includes many activities that allow students to handle original Roman objects and engage in activities in role as a team of archaeologists.

The historical concept of continuity and change runs throughout this workshop. Children will use a range of historical sources to learn about the Ancient Romans.

ANGLO-SAXONS

SUITABLE FOR
KEY STAGE 2

DELIVERED AT
St John's House Museum

DURATION
3 hours, from 10.15am - 2.15pm

MAIN FOCUS
Invasion, treasure, ownership

CURRICULUM TOPICS
History, English, Citizenship

This story world adventure enlists the children as a team of archaeologists, commissioned to support archaeologist Maude Cleaver secure the 'treasures' of a wonderful Anglo-Saxon burial site. An opportunity to explore the culture of the Anglo-Saxons using archaeological evidence to prove the value of a site where a supermarket 'giant' wishes to build a store.

This practical workshop covers Anglo-Saxon daily life and work, their craftsmanship and their writing, whilst exposing the children to first world issues related to heritage, the value of our history, conservation, and development. The historical concept of cause and consequence runs through this workshop.

The children will use the skill of historical enquiry to present their arguments at a mock planning meeting.

ANCIENT EGYPTIANS

SUITABLE FOR
KEY STAGE 2

DELIVERED AT
In your classroom

DURATION
4.5 hours, from 9.30am to 3pm

MAIN FOCUS
Civilisation, discovery, belief

CURRICULUM TOPICS
History, English

This exciting story world adventure takes the children into the past where they must help Hussain, assistant to the famous archaeologist Howard Carter, prepare for an archaeological dig at an Ancient Egyptian tomb. They will: plan a journey using an ancient map of Egypt, practice hieroglyphs, barter in an Egyptian marketplace for provisions, explore Egyptian beliefs about the afterlife, examine original and replica artefacts, design a cartouche on papyrus and create an artefact out of air-drying clay to take home.

The school hall will be needed for two hours in the morning and one classroom will be needed in the afternoon.

ROCKS AND FOSSILS AT CROSS HANDS QUARRY

SUITABLE FOR
KEY STAGE 2

DELIVERED AT
Cross Hands Quarry

DURATION
4 hours

MAIN FOCUS
Fieldwork, similarities and difference,
working scientifically

CURRICULUM TOPICS
Science, Geography

Discover a Jurassic seascape rich in fossils from 170 million years ago. Jurassic Warwickshire was covered by a shallow sea, so we can't promise dinosaurs but we can guarantee that everyone will find at least one fossil to keep. Learn how fossils were formed before going hunting for fossils in a safe area.

Any fossils found can be taken back to school for sorting, classification and further study. Visit a Site of Special Scientific Interest (SSSI) perfectly demonstrating the underlying structure of the area and the effects of geological forces. The Jurassic seabed layer where the fossils come from can be clearly seen here, underneath other layers of rock.

We provide all the equipment needed for the workshop, including sample specimens to help students identify their own finds. All groups visiting the quarry must arrange personal accident insurance. Due to seasonal risk of inclement weather and the exposed nature of the site we advise this workshop is booked for the summer term.

JURASSIC FOSSIL HANDLING AT MARKET HALL MUSEUM

SUITABLE FOR
KEY STAGE 2

DELIVERED AT
Market Hall Museum, Warwick

DURATION
2 hours

MAIN FOCUS
Similarities and difference,
habitat, evolution

CURRICULUM TOPICS
Science, English

A fantastic opportunity to handle real Jurassic fossils from Warwickshire's Jurassic seabed and see the fossils on display at Market Hall Museum. Make sure you look out for the Warwickshire dinosaur!

The workshop introduction will explain how fossils are formed and about the rock cycle. Half the workshop will be spent handling the Jurassic fossils, learning their names and what sort of living creatures they used to be.

For the rest of the workshop, pupils will take part in short activities designed to explore the theme of evolution (including the influence of habitat on the adaptations shown by animals), and learn more about the Warwickshire dinosaur, *cruxicheiros newmanorum*.

HISTORY DETECTIVES

SUITABLE FOR
KEY STAGE 2

DELIVERED AT
Warwickshire County Record Office,
Warwick

DURATION
2 hours

MAIN FOCUS
Interpretation and inference, historical
sources, difference and significance

CURRICULUM TOPICS
History, English

A series of workshops that uses original documents that have been carefully selected for different learning styles and abilities, including letters, photographs, maps, newspapers and postcards.

Every workshop includes a tour of the Strongrooms where the documents are stored. You are encouraged to bring your own class camera to record details of your favourite documents to use back in the classroom.

DISCOVER WORLD WAR ONE

A mixed collection of documents is available to be examined covering the themes of the role of women in World War One, conditions on the Front, life back home and commemorating the fallen.

See documents highlighting the role of the Red Cross, the enlisting of men and horses and the cases of conscientious objectors. Read postcards and letters sent home from the front, as well as documents highlighting the effects on the Home Front. On the theme of peace and remembrance, see documents giving us a glimpse into the lives of injured and disabled soldiers after they were discharged.

CRIME AND PUNISHMENT

Documents will allow you to discuss a range of themes with your class, such as living conditions in jail, child crime, types of crime committed, and the punishments given. The majority of the documents come from the Victorian period with a few from earlier periods.

A highlight is the Known Thieves Album, listing known criminals with a photograph, details about their appearance, and lists of their convictions and sentences.

VICTORIANS AT ST JOHN'S HOUSE MUSEUM

SUITABLE FOR
KEY STAGE 1&2

MAIN FOCUS

Interpretation and inference, difference
and significance, women's roles in the past

VICTORIAN LAUNDRY

Can you tell a posser from a dolly? Find out by taking part in a laundry workshop with Charlotte our costumed laundry maid.

Experience doing the washing without electricity in this hands-on workshop. Use real and replica late Victorian equipment to carry out the washing tasks.

Take turns to pump the water, grate the soap and mangle the washing before hanging it out to dry. Are you strong enough to be a laundry maid in Victorian times? You will be able to ask our laundry maid questions about her job and compare new and old equipment used to do the washing.

VICTORIANS AT ST JOHN'S HOUSE MUSEUM

SUITABLE FOR
KEY STAGE 1

MAIN FOCUS

Difference and significance,
contrasts, social class system

MOB CAPS TO TOP HATS

Find out about the clothes worn
by Victorian adults and children in
this hands-on workshop using real
and replica Victorian clothing.

Investigate Victorian clothes; how
they were made and what they
were made from. Guess how many
layers of clothes a Victorian lady
wore, and do you think you could
climb a tree in a corset? How is
this different to the clothes you
wear today?

The class can try on replica
costumes and learn about the
differences between the clothes
of the rich and poor.

VICTORIAN SCHOOLROOM

An immersive classroom experience, led by our costumed Victorian school ma'am. Pupils will dress in basic costume over their own clothes, pinafores for the girls and sailor's collars for the boys and role play as Victorian pupils in 1888.

Pupils chosen by you in advance will take on additional roles, such as class monitors.

There are even optional roles for the adults too, and we provide a basic costume for you, although you and your class are welcome to come dressed as Victorians for your visit. The lesson will include learning reading and arithmetic by rote, and using a class abacus to do their sums.

Content of the workshop is differentiated for each key stage.

VICTORIANS AT ST JOHN'S HOUSE MUSEUM

SUITABLE FOR
KEY STAGE 1&2

MAIN FOCUS

Change and continuity, similarity,
social class system.

UPSTAIRS, DOWNSTAIRS

Compare the lives of working
class and wealthy Victorian
families using our model houses.
Explore how these homes were
lit and how people kept clean.

Examine Victorian domestic
techniques using original objects
and learn about the difference
between family life, servants,
and education for rich and poor
families.

Children will play the roles
of different members of the
household and the workshop
includes the chance to try on
some Victorian clothing.

VICTORIAN CHRISTMAS

**SUITABLE FOR
KEY STAGE 1&2**

DELIVERED AT
St John's House Museum,
Warwick (available seasonally)

DURATION
3 hours, from 10.15am to 14.15pm

MAIN FOCUS
Tradition, comparison, family

CURRICULUM TOPICS
History, English, Maths,
Citizenship

Help Miss Skarritt, Queen Victoria's dresser, design some new Christmas bloomers for the Queen. Learn about Victorian Christmas traditions to help you create your design.

Meet our Victorian school ma'am Miss Roach and experience a Victorian lesson from 1888. Learn how the Victorians made Christmas pudding with Mrs Danvers the cook. Each class will take one home to cook.

Meet the St John's gardener and learn about other Victorian Christmas traditions, including why we decorate our houses with greenery. Make a Christmas cornucopia. Share your ideas for decorating Queen Victoria's bloomers, sing carols and help to decorate the St John's Christmas tree before you go home.

The historical concept of cause and consequence runs through this workshop as children learn about the origins of the traditions we follow at Christmas today.

VICTORIAN SUMMER

**SUITABLE FOR
KEY STAGE 1&2**

DELIVERED AT
St John's House Museum,
Warwick (available seasonally)

DURATION
3 hours, from 10.15am to 14.15pm

MAIN FOCUS
Empire, celebration, status

CURRICULUM TOPICS
History, English, Maths,

Impress the Countess of Warwick with your knowledge of Victorian skills to gain a coveted invitation to the 1897 Diamond Jubilee Celebration in Castle Park. Meet our Victorian School ma'am Miss Townshend and learn about the Victorian Empire, help Mrs Danvers the cook make butter and lemonade in our Victorian kitchen and then learn how to march, curtsy and bow as required in Victorian times, as well as making flags that reflect the changes in society during the Victorian era. This practical day project includes local history, Victorian education, domestic life, and Victorian values, enabling the opportunity to compare life in the Victorian and Modern eras.
