This form is used to provide a complete description of the specific job (or role) and defines the skills, knowledge and abilities required to undertake the specific and generic role profile.

# **Section A: Specific Role Profile**

The specific role profile provides key information relating to the salary and working conditions e.g. location of a job, along with the current focus of the job role and a brief description of the main duties.

#### **Role Details**

Job Title:	Public Health Principal – COVID-19 Prevention and Response	JEID	J0379
Salary Grade:	Scale L (£33,799 - £35,934)		
Team:	Public Health		
Service Area:	People Directorate		
Primary Location:	Home working/working across Warwickshire		
Political Restriction	This position is not politically restricted.		
Responsible to:	Programme Delivery Manager – COVID-19 prevention and response		
Responsible for:	-		

# **Role Purpose**

To act as the key public health responders as part of a newly established COVID-19 prevention and response team (matrix team), formed of public health, community support, regulatory services, infection control and business intelligence officers. The role of the team is to deliver on the local outbreak plan and Test and Trace programme for Warwickshire

The COVID-19 prevention and response team will work closely with District and Borough Councils, Coventry City Council, and Solihull Metropolitan Borough Council, as part of our Coventry, Solihull and Warwickshire (CSW) Beacon work. See staysafecsw.info. The post holder and wider team will also work closely with Public Health England, NHS and Voluntary and Community Sector partners. and a wide range of external organisations – schools/early years settings, workplaces, care settings, residential settings etc.

The role includes a number of strategic, reactive, campaign and commissioning responsibilities, and support for a number of joint programmes with District and Borough Councils, Coventry City Council and Solihull Metropolitan Borough Council.

Warwickshire are working as part of a Coventry, Solihull, Warwickshire Beacon to deliver on the commitments in our Local Outbreak plan. See staysafecsw.info

The role will also oversee related health and wellbeing activity as required to help improve the health and wellbeing of communities across Warwickshire.

# **Role Responsibilities**

- 1) To be a key responder as part of a new COVID-19 prevention and response team supporting local COVID-19 outbreak management, which will require managing day to day general COVID-19 enquiries, notifications about single cases and outbreaks, as well as being an active member of incident management team meetings and undertaking contact tracing. The role will require the post holder to take part in an on-call rota which will run 8am to 8pm 7 days per week (hours will be regularly reviewed). The post holder (2 roles available) will be the key public health leads and first responders to enquiries/cases and outbreaks for the team
- 2) To provide advice, support and information on processes supporting the implementation of the Local Outbreak Control Plan and Test and Trace Programme including associated action planning and commissioning. This includes leading on preventative activity as well as response activity linked with the outbreak plan.
- 3) To oversee the successful design and delivery of COVID-19 prevention and response activities as required including action plans and regularly reporting on activity and progress to the COVID-19 Health Protection Board, Member Engagement Board and other meetings.
- 4) To provide leadership and advice to staff, consultants and partners as necessary around the development and delivery of COVID-19 prevention and response programme, defining and coordinating work, ensuring deadlines and objectives are understood and adhered to.
- 5) To produce, maintain and review comprehensive, integrated action plans and logs of enquiries/cases/outbreaks and other documentation to enable activities to be managed and delivered effectively.
- 6) To provide COVID-19 Health Protection Board Members and Senior Management with solution options to complex issues in order to drive timely decision-making. This will involve reporting and presenting to management team meetings and Elected Member committees / groups including the Member Engagement Board and Health and Wellbeing Board.
- 7) To develop and maintain effective relationships with senior officers and other key stakeholders across the health protection/health and wellbeing system and ensure stakeholders are supported and communicated with effectively.
- 8) Undertake Stakeholder analysis and deliver effective communication plans (COVID-19 communications, as well as related campaign activity, to include seasonal flu/COVID-19 vaccination campaigns) that identify and educate relevant audiences on related health and wellbeing activity.
- 9) Act as ambassador for the COVID-19 prevention and response programme and the Council and respond to complex ad hoc requests for information from both within and outside the organisation.
- 10) Initiate and complete procurement campaigns and processes as required.
- 11) Share knowledge and information with colleagues leading related initiatives that impact on health protection outcomes, to ensure dependencies are considered.
- 12) To support the Programme Delivery Manager in the refreshing outbreak plans and related products/topic or setting specific plans including analysis of evidence, consultation and

engagement, and reporting to the COVID-19 Health Protection Board

- 13) To contribute positively to the development of a customer-focused culture, and promote the Council's Purpose and Outcomes.
- 14) Any other duties allocated by the Programme Delivery Manager as appropriate to the scope of the post.
- 15) To carry out duties in accordance with the Council's Information Security Standards and Human Resource Policies; compliance with the Data Protection Act, Freedom of Information Act and any other relevant legislation that directly affects service delivery.
