Generic Role Details

Job Role:

Social Care Worker – Level 3

Main Tasks

- Provides a social work service, to a high professional standard, for individuals, families and groups in an anti-discriminatory manner.
- Practices social work accountably, within the prevailing legislative framework and Council policies and procedures, and under the supervision of the line manager.
- Manages a mixed case load, including a significant number of the more challenging cases that involve vulnerable people with complex problems.
- Assesses referrals and designs plans for action, liaising with colleagues and other agencies as appropriate.
- Arranges the delivery and monitors the effectiveness of packages of support to meet people's identified needs.
- Works collaboratively with individuals, families, carers, communities, colleagues and other agencies.
- Undertakes safeguarding investigations, with suitable supervision, attending planning meetings, case

conferences and reviews as required and performs a key working role where appropriate.

- Ensures that all recording of social work activity is carried out in accordance with policy and procedures.
- Attends appropriate continuous professional development activities as are required and suitable, in
 agreement with the line manager and contributes to the professional development of colleagues, for
 example, through mentoring, practice assessing and in being 'team champion' for specific areas of
 practice.
- Can be available to work within any of the Council's localities.

Section C: Working Conditions

The working conditions relate to those non-contractual elements of the job that may impact on the holder of the position, as well as those workplace-based responsibilities that are part of this job. These are not contractual but provide a guide to the working conditions and the potential hazards and risks that may be faced.

Health & Safety at Work

To take responsibility for your own health, safety and wellbeing, and undertake health and safety duties and responsibilities for your role as specified within Warwickshire County Councils Health and Safety Policy, and all other relevant health and safety policies, arrangements, procedures, systems of work as specified for the post/ role.

Potential Hazards & Risks

The potential significant hazard(s) and risk(s) for this job are identified below (those ticked). The purpose of recording this information on the job description is so that the health status of the potential and actual post-holders can be assessed with regard to the significant hazards and risks. These hazards and risks should be based on the appropriate activity, process and/or operation risk assessment whereby all of the significant risks are identified, recorded and appropriately controlled. The list below is therefore not an exhaustive list because it is the risk assessment that details all significant risks that could arise out of or in connection with the work activity, but any others will be identified in the 'other' section.
