Team:	South Warwickshire Community Mental Health and Wellbeing Team- IPU 3-8		
Service Area:	Adult Mental Health and Community Services		
Primary Location:	St Mary's Lodge, Leamington Spa CV11 JN		
Political Restriction	This position is politically restricted.		
Responsible to:	Team Manager		
Responsible for:			

Role Purpose

To provide Social Work, Care Co-ordination and AMHP input as part of a multi-disciplinary South Warwickshire Integrated Practice Unit (IPU) 3-8. The IPU works with people with complex mental health problems which are non psychotic and non organic but more psychological in nature including personality disorders, depression, OCD and post trauma .

The post holder will work alongside colleagues to provide an holistic and person-centred service intended to empower individuals to make choices. The role focuses on implementing social and psychological approaches to achieve agreed health and social care outcomes for service users.

Role Responsibilities

- Practice as an Approved Mental Health Professional (AMHP), including participating on the Approved Mental Health Professional (AMHP) rota when required. *(Post holders not an AMHP must be prepared to undertake AMHP training)
 - Collaborate with the multi-disciplinary team and other statutory, voluntary and independent sector agencies to provide a community-focused service to people with complex mental health problems.
 - Undertake assessments involving clients and carers and where appropriate to formulate a plan of care to encourage engagement and recovery; ensuring a multi-disciplinary input into the process and positively promoting client and carer participation
- Participate in a team duty service
- To work with clients experiencing psychological disorders and to provide care co-ordination under CPA
 - To undertake these tasks within a philosophy of recovery and social inclusion
 - To undertake safeguarding investigations, with suitable supervision, attending planning meetings, case conferences and reviews and perform a key working role where appropriate
 - Maintain client records as required
 - Provide information on service users and carers' needs and the services provided to enable the monitoring, reviewing and evaluation of services
 - Provide supervision to other social care staff/students/healthcare staff, as appropriate, according to your level of qualification and experience
 - Ensure that Health and Safety responsibilities are carried out in accordance with the Department's health and Safety policy and procedures
 - Undertake duties that the County Council shall from time to time require which are consistent with the nature and grading of the post

Section B: Generic Role Profile

The generic role profile provides a list of the main tasks that cover the broad range of duties and responsibilities performed at this level for the job role. An employee may not be undertaking all of these at any one time, but they could be expected to do so under their contract of employment.

Generic Role Details

Job Role:	Social Worker – Level 3
-----------	-------------------------

Main Tasks

- Provides a social work service, to a high professional standard, for individuals, families and groups in an anti-discriminatory manner.
- Practices social work accountably, within the prevailing legislative framework and Council policies and procedures, without the need for close supervision.
- Manages a case load, comprising mainly of the most challenging cases that involve vulnerable people with complex problems.
- Assesses referrals and designs plans for action, liaising with colleagues and other agencies as appropriate.
- Arranges the delivery and monitors the effectiveness of packages of support to meet people's identified needs.
- Works collaboratively with individuals, families, carers, communities, colleagues and other agencies.
- Undertakes safeguarding investigations, with suitable supervision, attending planning meetings, case conferences and reviews as required and performs a key working role where appropriate.
- Ensures that all recording of social work activity is carried out in accordance with policy and procedures.
- Attends appropriate continuous professional development activities as are required and suitable, in agreement with the line manager and contributes to the professional development of colleagues, for example, through mentoring, coaching, and practice assessing and modelling high standards of professional practice.
- Provide formal supervision to a small number of unqualified staff if requested.
- Assists managers to further develop the team. For example, by leading work streams designed to embed improvements to social work practice.
- Can be available to work within any of the Council's localities.

Section B: Person Specification

The person specification provides a list of essential and desirable criteria (skills and competencies) that a candidate should have in order to perform the job.

Each of the criteria listed below will be measured through; the application form (A), a test / exercise (T), an interview (I), a presentation (P) or documentation (D).

Section C: Working Conditions

The working conditions relate to those non-contractual elements of the job that may impact on the holder of the position, as well as those workplace-based responsibilities that are part of this job. These are not contractual but provide a guide to the working conditions and the potential hazards and risks that may be faced.

Health & Safety at Work

To take responsibility for your own health, safety and wellbeing, and undertake health and safety duties and responsibilities for your role as specified within Warwickshire County Councils Health and Safety Policy, and all other relevant health and safety policies, arrangements, procedures, systems of work as specified for the post/ role.

Potential Hazards & Risks

The potential significant hazard(s) and risk(s) for this job are identified below (those ticked). The purpose of recording this information on the job description is so that the health status of the potential and actual post-holders can be assessed with regard to the significant hazards and risks. These hazards and risks should be based on the appropriate activity, process and/or operation risk assessment whereby all of the significant risks are identified, recorded and appropriately controlled. The list below is therefore not an exhaustive list because it is the risk assessment that details all significant risks that could arise out of or in connection with the work activity, but any others will be identified in the 'other' section.
