Salary Grade:	F		
Team:	Operations		
Service Area:	Waste Management		
Primary Location:	Any Household Waste recycling Centre		
Political Restriction	This position is not politically restricted.		
Responsible to:	Area Contracts Manager / Operations Manager		
Responsible for:	n/a		

#### Role Purpose

To carry out skip haulage for the Waste Management Service. Working at all the sites managed by Warwickshire County Council.

#### Role Responsibilities

1. Drive and operate LGV vehicles for the Waste Management division
2. Load and sheet containers and recycling banks of varying sizes in a safe manner, carrying out all attendant tasks such as removing loose material and securing/checking locking mechanisms & free movement of hinges.
3. Carry out daily and weekly vehicle checks plus minor maintenance and regular cleaning tasks on the vehicles under your control and the containers on sites, to include – but not limited to – greasing of the self sheeting mechanisms in accordance with manufacturers instructions.
4. Complete and submit relevant paperwork/ check sheets related to vehicles/ containers and waste management including Duty of Care Waste Transfer Notes, Load Notes/ Records and where required Hazardous Waste Consignment Notes and any other required paperwork.
5. Assist with the smooth running of Household Waste Recycling Centres (HWRCs) and transfer stations.

6. Attend other facilities and sites for commensurate work as required including working weekends and bank holidays.
7. Empty/discharge containers/vehicles at designated facilities as required, including but not limited to, reprocessing plants, transfer stations and landfill sites.
8. Comply with reasonable instructions from line management, supervisors and staff at receiving sites.
9. Ensure at all times the health and safety of self and all others within the working environment, including road users, public and colleagues.
10. Attend all training and legislation updates.
11. Ensure and monitor compliance (self and colleagues) with applicable Road Traffic, Highway Code, CPC, Hazardous ADR and associated follow-on Legislation.
12. Assist Supervisors and Managers in achieving full Safety, Health and Environmental (SHE) & Quality Systems compliance to ISO Standards. The driver will be expected to co-operate with senior staff in the pro-active management of all health and safety issues including reporting and investigating all accidents, incidents and near-misses in accordance with corporate policy
13. When not driving – and where the appropriate licence is held, the driver will be required to carry out other duties using forklifts, shovels, rubber duck, weighbridge, and manually helping on sites, while the list is not exhaustive this is an example of areas that you will be expected to work within. Where the appropriate licence is not held, training will be undertaken.
14. The driver is to ensure that they find the most economical filling point for the vehicle and procure fuel in accordance with Corporate instructions.
15. Keep the vehicle clean and tidy to include cleaning and hoovering cab interior, jet washing the wheels at approved sites etc.

#### Occasional Tasks

16. Weather related tasks such as winter gritting and summer dust suppression/ water-bowsing of sites to control dangerous or adverse ground conditions (there may be other jobs such as leaf clearance/ litter picking)
17. Training of new personnel
18. Assistance with publicity, waste minimisation and educational initiatives
19. Use of LGV & non-LGV vehicles to convey/assist with the siting/distribution of various equipment and supplies to HWRCs.

## Section B: Person Specification

The person specification provides a list of essential and desirable criteria (skills and competencies) that a candidate should have in order to perform the job.

Each of the criteria listed below will be measured through; the application form (A), a test / exercise (T), an interview (I), a presentation (P) or documentation (D).

# Section C: Working Conditions

The working conditions relate to those non-contractual elements of the job that may impact on the holder of the position, as well as those workplace-based responsibilities that are part of this job. These are not contractual but provide a guide to the working conditions and the potential hazards and risks that may be faced.

## Health & Safety at Work

To take responsibility for your own health, safety and wellbeing, and undertake health and safety duties and responsibilities for your role as specified within Warwickshire County Councils Health and Safety Policy, and all other relevant health and safety policies, arrangements, procedures, systems of work as specified for the post/ role.

## Potential Hazards & Risks

The potential significant hazard(s) and risk(s) for this job are identified below (those ticked). The purpose of recording this information on the job description is so that the health status of the potential and actual post-holders can be assessed with regard to the significant hazards and risks. These hazards and risks should be based on the appropriate activity, process and/or operation risk assessment whereby all of the significant risks are identified, recorded and appropriately controlled. The list below is therefore not an exhaustive list because it is the risk assessment that details all significant risks that could arise out of or in connection with the work activity, but any others will be identified in the 'other' section.
