

Job Description

For Social Care Positions

This form is used to provide a complete description of the specific job (or role) and defines the skills, knowledge and abilities required to undertake the specific and generic role profile.

Section A: Specific Role Profile

The specific role profile provides key information relating to the salary and working conditions e.g. location of a job, along with the current focus of the job role and a brief description of the main duties.

Role Details

Job Title:	Mental Health Practitioner: Community Connections Practitioner x 6		SW01B Social Care Worker Level 1b
Salary Grade:	Grade H (£24,491- £27,041)		
Team:	Mental Health		
Service Area:	People Group		
Primary Location:	North and South Warwickshire		
Political Restriction	This position is not politically restricted.		
Responsible to:	Lead Practitioners Harvi Mann and Ranjit Chall		
Responsible for:			

Role Purpose

We are recruiting to 4 Community Connection Practitioner Posts, which is an integral part of our commitment to develop innovative ways of providing social interventions within our multidisciplinary Community Mental Health and Wellbeing Teams. You will mainly be working with people experiencing complex mental health problems including depression, anxiety, mood disorders, self-harming behaviours and personality disorder.

We are also recruiting to 2 Community Connection Practitioner Posts in our Warwickshire Social Interventions Service (WSIS) which provides additional social support to people experiencing mental health crisis.

The work will entail providing direct social interventions service to people with mental health and social needs in both our community and acute crisis services. You will work with individuals to empower them to make their own decisions and to more effectively problem solve. You will actively support people to develop their community networks and build resilience. The role entails maintaining strong links and working alongside mental health colleagues, external agencies and the voluntary sector.

Role Responsibilities

- To undertake social interventions with individuals in The Community Mental Health and Wellbeing Team and Warwickshire Social Interventions Services (WSIS).
- Through the provision of a range of strengths-based, community-focused interventions, support individuals to find solutions to the social difficulties and inequalities they experience that exacerbate their mental wellbeing.
- Provide support and interventions that are underpinned by a philosophy of recovery, social inclusion, and connecting people to their local communities.
- Carry out meaningful conversations which determine eligibility under the Care Act 2014.
- Undertake assessments with service users, and carers and where appropriate, to formulate a plan of care that encourages engagement and recovery identifying the persons social outcomes to be achieved ensuring a multi-disciplinary input into the process and positively promoting service user and carer participation.
- Under the guidance and supervision of the Team Leader/ Lead Practitioner, work closely alongside the multi-disciplinary professionals in The Community Mental Health and Wellbeing Team and WSIS.
- A multi-disciplinary team will have an oversight of all individuals being worked or in the case of WSIS the Social Care Lead Practitioner will provide this oversight.
- Collaborate with other statutory, voluntary and independent sector agencies to provide a community-focused service to people with mental health difficulties.
- Work within the principles and statutory requirements of the Care Act 2014, the Mental Capacity Act 2005, the Mental Health Act 1983 and other relevant legislation.
- Ensure that all recording of your work is carried out in accordance with policy and procedures and with due regard to data protection and confidentiality
- Prepare and participate in reflective practice and supervision.
- Receive and fully participate in regular supervision from the Team Leader / Lead Practitioner.
- Ensure that Health and Safety responsibilities are carried out in accordance with the Department's health and safety policy and procedures
- Ensure that all recording of activity is carried out in accordance with policy and procedures and with due regard to data protection and confidentiality.
- Undertake duties that the County Council shall from time to time require which are consistent with the nature and grading of the post

Section B: Generic Role Profile

The generic role profile provides a list of the main tasks that cover the broad range of duties and

responsibilities performed at this level for the job role. An employee may not be undertaking all of these at any one time, but they could be expected to do so under their contract of employment.

Generic Role Details

Job Role:	Social Care Worker – Level 1a
-----------	-------------------------------

Main Tasks

- Contributes to the social care service received by individuals, families and groups by undertaking case direct work with individuals and families and contributing to the assessment and support planning processes. All work to be carried out in an anti-discriminatory manner, promoting choice, independence and the rights of customers.
- Provides a flexible range of interventions and support to individuals and their families to help to prevent crises and family breakdown and promote mental health recovery.
- Practices accountably, within the prevailing legislative framework and Council policies and procedures, under the supervision of the line manager.
- With appropriate supervision and support, works with adults and families with complex needs to assist them in achieving outcomes.
- Working alongside colleagues, assesses referrals and designs plans for action, and interventions.
- Assists accountable case holders in ongoing adult safeguarding work, with close supervision, attending planning meetings, case conferences and reviews as required.
- Arranges the delivery and monitors the effectiveness of packages of support to meet people's identified needs where appropriate or assists a more senior professionally affiliated worker to do this where this is more suitable.
- Works collaboratively with individuals, families, carers, communities, colleagues and other agencies.
- Ensures that all recording of social care activity is carried out in accordance with policy and procedures.
- Attends appropriate continuous professional development activities as are required and suitable, in agreement with the line manager.
- Can be available to work within any of the Council's localities.

Section B: Person Specification

Section C: Working Conditions

The working conditions relate to those non-contractual elements of the job that may impact on the holder of the position, as well as those workplace-based responsibilities that are part of this job. These are not contractual but provide a guide to the working conditions and the potential hazards and risks that may be faced.

Health & Safety at Work

To take responsibility for your own health, safety and wellbeing, and undertake health and safety duties and responsibilities for your role as specified within Warwickshire County Councils Health and Safety Policy, and all other relevant health and safety policies, arrangements, procedures, systems of work as specified for the post/ role.

Potential Hazards & Risks

The potential significant hazard(s) and risk(s) for this job are identified below (in bold). The purpose of recording this information on the job description is so that the health status of the potential and actual post-holders can be assessed with regard to the significant hazards and risks. These hazards and risks should be based on the appropriate activity, process and/or operation risk assessment whereby all of the significant risks are identified, recorded and appropriately controlled. The list below is therefore not an exhaustive list because it is the risk assessment that details all significant risks that could arise out of or in connection with the work activity, but any others will be identified in the 'other' section.
