Role Purpose

To provide specialist advice and support to businesses to help them locate, grow and prosper within Warwickshire. The post will play a key role in enabling Warwickshire to be seen as a business friendly location, with the best environment to help businesses access the support they need to grow. In particular, the role requires a forward thinking and enthusiastic individual to deliver the ERDF CW Innovation Test-Bed Programme to Warwickshire businesses and the role will involve:

- Engaging and working with businesses within Warwickshire to understand and help develop their growth plans, identifying how Warwickshire County Council and our partners can help support them on their growth journey.
- Providing specialist access to finance support, particularly around supporting growth-orientated businesses to access grant and loan funding.
- Play a key role in effective delivery of the County Council's business support programmes including the Warwickshire Recovery Investment Fund (WRIF).
- Supporting investment into the county, and helping shape and inform business support policy and provision across Warwickshire based on business intelligence and feedback.

The post is part funded by the European Regional Development Fund (ERDF) until the end of June 2023 and there is scope for further funding to be secured and the role to be Permanent from July 2023.

Role Responsibilities

- To undertake pro-active outreach and engagement with businesses to understand their business plans and support them to achieve their growth potential and invest within Warwickshire.
- Maintain relationships with companies to track impacts, explore further support and keep them strategically engaged with the County Council, including identifying potential candidates for the WRIF.
- Support local business to produce the documentation required to access finance, including management of a robust and compliant process to ensure timely delivery of correct appropriate information to enable eligible Warwickshire businesses to access finance.
- Advising clients on eligibility, appraising business grant applications and actively support engagement activities.
- Develop a ongoing relationship with successful WRIF applicants to ensure appropriate monitoring and review of business performance and other targets to safeguard the County's investment in that business.
- Maintain a high level of specialist knowledge with regards to access to finance provision in county, and support programmes available to businesses.
- Provide detailed support to businesses to help them develop their plans, giving assistance where needed and appropriate, and linking with other support providers as required.
- To deliver the outputs required under the ERDF funded business support programmes, ensuring that activity is eligible and that the necessary evidence is compiled and retained.
- Develop and maintain strong relationships with key partners and business support providers to keep abreast of current provision and support available, and to broker businesses into the best form of support available to meet their needs.
- Work with local partners to provide and promote an integrated and co-ordinated access to finance service for Warwickshire businesses.
- Act as an ambassador for Warwickshire to the business community, promoting the county as a great place to do business, and Warwickshire County Council as a local authority who actively helps and supports economic growth.
- Manage and co-ordinate the use of resources to undertake campaigns and support companies.
- Contribute to the development of the County Council's strategic approach to business support, identifying key priorities and potential gaps/ areas of market failure that need to be addressed.
- Develop and maintain effective records/information regarding business needs within Warwickshire to provide a stronger evidence base to inform future delivery/provision, monitoring interest and take-up of support by businesses.
- Work with partners, policy makers, business networks, sector networks, etc. to identify future business support need, and help develop appropriate local policy responses.
- To provide support to organising and hosting tours from overseas posts and investors, help develop compelling offers to potential investors, and taking the opportunity to showcase Warwickshire as a place to invest and locate.
- Deliver presentations/ attend workshops & events to promote and encourage business support and access to finance.
- To maintain personal and professional development to meet the changing demands of the job and

to participate in appropriate training activities.

- To deputise for the Business Investment Growth Delivery Lead as required. Responsibilities would vary on a project-by-project basis depending on the specialisms required and individual knowledge of particular grant funding or experience in particular business sectors.
- To undertake such other duties, training and/ or hours of work as may be reasonably required, and which are consistent with the general level of responsibility of this job.
