Job Description

For Social Care Positions

This form is used to provide a complete description of the specific job (or role) and defines the skills, knowledge and abilities required to undertake the specific and generic role profile.

Section A: Specific Role Profile

The specific role profile provides key information relating to the salary and working conditions e.g. location of a job, along with the current focus of the job role and a brief description of the main duties.

Role Details

Job Title:	Lead Practitioner	JEID	LO475
Salary Grade:	Grade O		
Team:	MASH/Initial Response or Children's Safeguarding & Support		
Service Area:	Children & Families		
Primary Location:	Various locations across the County		
Political Restriction	This position is not politically restricted.		
Responsible to:	Team Leader		
Responsible for:	Social Workers and Family Support Workers		

Role Purpose

- To support Children's Social Work Practice, to ensure delivery of high-quality assessments and support to children and their families.
- To assist Team Leader in the safe, efficient, and effective delivery of services to Children and Families in accordance with Warwickshire Children and Families' Policies and Procedures.
- To supervise the practice and decision-making of child and family staff, and to develop the skills of individuals and teams within children and families.
- To be responsible for mentoring, supervision and support to social workers and family support staff.

Role Responsibilities

- To assist less experienced social workers and family support workers by providing consultation, oversight, supervision, and mentoring. This will include specific practice support to students and newly qualified social workers in their Assessed and Supported Year of Employment (ASYE) and other colleagues to ensure that their practice is developed, and embedded.
- To assist the Team Leader to be able to make safe evidence-based decisions relating to improving outcomes for children and families through the effective use of supervision.

- To assist the Team Leader with work allocation, undertake professional staff supervision (one-to-one and group), workload management, prioritisation, and staff performance appraisals alongside undertaking direct observations of practice within the agreed policy and supervision procedures.
- To deputise for the Team Leader, as required.
- To ensure that each team member provides clear, accurate and high-quality assessments and services within the legislative and policy framework of children and families. This will include quality assuring assessments, plans, documents, case file audits and observation of staff to improve practice.
- To manage risk within Social Workers caseloads and support staff in managing risk and needs of children and families by leading, supervising and mentoring to reach appropriate decisions with a view to modelling best practice and ensuring good outcomes.
- To ensure all interventions are supported by clear plans that ensure the protection and development of the child or young person; to meet identified outcomes by working in partnership with children, their families, agencies, and other networks.
- To ensure effective and timely decision making by having direct involvement in more complex and challenging assessments and direct work with children and families.
- Under the direction of the Team Leader, to co-work on complex cases and undertake joint
 assessments where the degree of risk and profile of the service user requires greater volumes of
 experience and expertise.
- Provide appropriate challenge, mentoring, and supervision to the decisions of other staff within the team to ensure decisions are safe and improve outcomes for children and families.
- To ensure significant issues around risks, needs and barriers to service delivery and achieving good outcomes for children and families are reported promptly to the Team Leader.
- To chair and attend a range of meetings on behalf of the Team Leader, including but not limited to, Strategy/Legal/Public Law Outline (PLO) meetings, Initial Child Protection Conference (ICPC), Review Child Protection Conference (RCPC) and All About Me Reviews ensuring clear measurable outcomes and monitoring arrangements are agreed and recorded.
- To investigate and attempt to resolve complaints made by children and families and representations from other professionals.
- To take a lead in undertaking audit activity and moderation responsibilities, taking responsibility for the learning from these audits to be identified and disseminated across the service including into the delivery of training and the development of procedures. Including liaising with external stakeholders where necessary and the development and delivery of training, if required.
- Provide leadership, advice, and support to other professional staff in relation to complex cases and to be an active practice member driving restorative and trauma informed practice across the team and wider service.
- To liaise with colleagues in other service areas and agencies maintaining multi-disciplinary partnerships; to ensure effective working relationships and coordinated high quality service delivery to vulnerable children and their families.
- To assist Team Leaders in the overall strategic development and implementation of Children's Services, policies and procedures and lead on specific projects as required.
- Respond flexibly to service needs assisting in wider team priorities, where necessary.

• To take responsibility for own professional development in line with the Social Work England Standards.
