

Job Description

For Engineer Positions

This form is used to provide a complete description of the specific job (or role) and defines the skills, knowledge and abilities required to undertake the specific and generic role profile.

Section A: Specific Role Profile

The specific role profile provides key information relating to the salary and working conditions e.g. location of a job, along with the current focus of the job role and a brief description of the main duties.

Role Details

Job Title:	NRSWA Inspector	JEID	EN001B
Salary Grade:	Grade I		
Team:	Network Management Team		
Service Area:	Transport and Highways		
Primary Location:	Budbrooke Warwick		
Political Restriction	This position is not politically restricted.		
Responsible to:	Network Manager		
Responsible for:	Nil		

Role Purpose

The NRSWA Inspectors take an active role in supporting the delivery of the Councils responsibility and function of the Network Management Team by ensuring all work activities carried out in the public highway are undertaken in compliance to the TMA, including the authorities Permit scheme, NRSWA and any national guidance and codes.

As a Highway Authority, Warwickshire County Council (WCC) has responsibility for co-ordinating all works on the highway network of Warwickshire. Both WCC and undertakers are required to give notice to each other of their intended works. This process is aimed at assessing the impact on any works to minimise disruption to traffic networks and any foreseeable inconvenience which could be caused to street/road users.

WCC carries out these duties under the New Roads & Street Works Act (NRSWA) / Traffic Management Act (TMA) 2004 taking action to ensure compliance by all works promoters

All works promoters are required to apply for a permit from the highway authority and WCC issues these through the the joint permit scheme West and Shires Permit scheme (WaSP)

WCC is required to maintain a register of works and communicate with any other adjoining authority who may be affected, emergency services, police and organisations catering for disabled groups.

Co-ordination is maintained by regular meetings of affected parties. These groups are set up by regional Highway Authority and Utility Committees (HAUC's).

Role Responsibilities

To carry out inspection of works on site to ensure that they are carried out safely and in accordance with the current specification for materials and workmanship and the in line with current legislation namely New Roads & Street Works Act 1991 and the Traffic Management Act 2004.

To identify defects in workmanship or materials and programme investigations and remedial works with the relevant utility so that the integrity of the highway is preserved.

To inspect works sites for compliance with Safety at Street Works and Road Works Codes Of Practice 2014. Arrange and oversee remedial works with the relevant utility so that the integrity of the highway is preserved.

To inspect permits on all utility sites for compliance and highway licences (section 50 and section 171's) for compliance.

Section B: Generic Role Profile

The generic role profile provides a list of the main tasks that cover the broad range of duties and responsibilities performed at this level for the job role. An employee may not be undertaking all of these at any one time, but they could be expected to do so under their contract of employment.

Generic Role Details

Section B: Person Specification

The person specification provides a list of essential and desirable criteria (skills and competencies) that a candidate should have in order to perform the job.

Each of the criteria listed below will be measured through; the application form (A), a test / exercise (T), an interview (I), a presentation (P) or documentation (D).

Essential Criteria

Assessed By:

Relevant degree or other qualification to NVQ Level 4 or a minimum of 3 years experience within a relevant specialist discipline	A/I
The ability to independently interpret and analyse varied and complex information or situations over the medium term.	A/I
Experience of working with customers, clients and partners	A/I

The ability to organise own workload and decide priorities.	A/I
Experience of working within budgets or financial management	A/I
The ability to persuade others to adopt a course of action which is not necessarily their preferred approach	A/I
The ability to communicate, in person and/or writing, complicated or sensitive information with varied audiences	A/I
Have experience of using ICT including relevant Engineering/Transport Planning systems e.g. CAD	A/I
To be able to use own initiative to respond independently to difficult problems and unexpected situations	A/I
The ability to work under pressure including meeting deadlines and dealing with interruptions	A/I
The ability to cope in situations where there is an emotional demand arising from the work being undertaken	A/I
Experience of contributing to the development of Engineering/Transport Planning Policies and Procedures	A/I
The ability to co-ordinate a number of elements within a project plan.	A/I
Mobility essential. Ability to travel effectively throughout the County. Able-bodied applicants must be able to drive, have a driving licence and be a car owner. Disabled applicants should be able to perform the job with aid, where necessary.	A, D

Desirable Criteria

Assessed By:

A recognised traffic management Qualification i.e. Sector 12D	A/I
A knowledge of the County Highway Network	A/I
A knowledge of relevant legislation Highways Act 1980 / New Roads and Streetworks Act 1991/ Traffic Management Act 2004.	A/I
NRSWA Accreditation	A/I

Section C: Working Conditions

The working conditions relate to those non-contractual elements of the job that may impact on the holder of the position, as well as those workplace-based responsibilities that are part of this job. These are not contractual but provide a guide to the working conditions and the potential hazards and risks that may be faced.

Health & Safety at Work

To take responsibility for your own health, safety and wellbeing, and undertake health and safety duties and responsibilities for your role as specified within Warwickshire County Councils Health and Safety

Policy, and all other relevant health and safety policies, arrangements, procedures, systems of work as specified for the post/ role.

Potential Hazards & Risks

The potential significant hazard(s) and risk(s) for this job are identified below (those ticked). The purpose of recording this information on the job description is so that the health status of the potential and actual post-holders can be assessed with regard to the significant hazards and risks. These hazards and risks should be based on the appropriate activity, process and/or operation risk assessment whereby all of the significant risks are identified, recorded and appropriately controlled. The list below is therefore not an exhaustive list because it is the risk assessment that details all significant risks that could arise out of or in connection with the work activity, but any others will be identified in the 'other' section.

<input type="checkbox"/> Provision of personal care on a regular basis	<input type="checkbox"/> Driving HGV or LGV for work
