

Job Description

For Social Care Positions

This form is used to provide a complete description of the specific job (or role) and defines the skills, knowledge and abilities required to undertake the specific and generic role profile.

Section A: Specific Role Profile

The specific role profile provides key information relating to the salary and working conditions e.g. location of a job, along with the current focus of the job role and a brief description of the main duties.

Role Details

Job Title:	Mental Health Social Worker: Community Adult Mental Health	JEID	SW003
Salary Grade:	Scale K		
Team:	Community and Memory Assessment Team (South Warwickshire)		
Service Area:	Mental Health		
Primary Location:	South Warwickshire		
Political Restriction	This position is not politically restricted.		
Responsible to:	Lead Practitioner		
Responsible for:			

Role Purpose

This role is to provide social work interventions as part of a multidisciplinary mental health team working in the community and acute settings. This will initially be based within the Community Memory and Assessment Team working with individuals with a diagnosis of Dementia but we are currently undergoing a Mental Health Transformation process and this will be evolving into an Older Adults Mental Health Team working with adults over 65 who have mental health needs including but not limited to depression, dementia, schizophrenia and psychosis.

As part of a multi-disciplinary team your focus will be on providing a range of strengths - based social work interventions underpinned by a philosophy of recovery, building resilience, social inclusion and maximising community and social engagement.

Role Responsibilities

- Undertake direct social work with individuals through the provision of a range of strengths-based and community focussed interventions to achieve their social outcomes.
- Work with individuals to empower them to make their own decisions and to more effectively problem solve.

- Actively support people to develop their community networks and build resilience.
- To build excellent and effective relationships with other agencies and the local community and to sign-post when appropriate.
- Collaborate with other statutory, voluntary and independent sector agencies to provide a community-focused service to people with mental health difficulties.
- To work in partnership and engage other professionals to ensure there is a multi-agency approach which enables the adult and/or their carer to live as independently as possible.
- Undertake social work that encourages engagement and recovery, identifies the individual's social outcomes to be achieved, ensures a multi-disciplinary input into the process and ensures client and carer participation.
- To carry out meaningful conversations to inform assessments which determine eligibility under the Care Act 2014.
- To develop and review creative support plans which focus on the outcomes the individual has identified, to promote their independence and ensure Care Act 2014 needs are met in a way which maximises their strengths and community assets.
- To meet statutory requirements including best practice in relation to the principles of the Care Act 2014, the Mental Capacity Act 2005 and the Mental Health Act 1983.
- Undertake safeguarding investigations, attend planning meetings, case conferences and reviews and perform a key working role where appropriate
- Ensure that all recording of social work activity is carried out in accordance with policy and procedures and with due regard to data protection and confidentiality.
- Receive and fully participate in supervision from the designated Lead Practitioner.
- Participate in staff appraisal.
- Ensure that Health and Safety responsibilities are carried out in accordance with the Department's health and safety policy and procedures.
- Undertake duties that the County Council shall from time to time require which are consistent with the nature and grading of the post.

Section B: Generic Role Profile

The generic role profile provides a list of the main tasks that cover the broad range of duties and responsibilities performed at this level for the job role. An employee may not be undertaking all of these at any one time, but they could be expected to do so under their contract of employment.

Generic Role Details

Job Role:	Mental Health Social Worker: Community based
-----------	--

Main Tasks

- To provide an outcome focused social work service in line with Social Work England's Standards
- To work within a legislative frameworks and the local authority's policies and procedures in providing a social work service to adults with mental health needs
- To provide a social work service, to a high professional standard, for individuals, families and groups in an anti-discriminatory manner.
- To practice social work accountably, within the prevailing legislative framework and Council policies and procedures, and under the supervision of the line manager.
- To manage a mixed case load, including a significant number of the more challenging cases that involve vulnerable people with complex problems.
- To assess referrals and designs plans for action, liaising with colleagues and other agencies as appropriate.
- To arrange the delivery and monitors the effectiveness of packages of support to meet people's identified needs.
- To work collaboratively with individuals, families, carers, communities, colleagues and other agencies.
- To undertake safeguarding investigations, with suitable supervision, attending planning meetings, case conferences and reviews as required and performs a key working role where appropriate.
- To ensure that all recording of social work activity is carried out in accordance with policy and procedures.
- To attend appropriate continuous professional development activities as are required and suitable, in agreement with the line manager and contributes to the professional development of colleagues, for example, through mentoring, practice assessing and in being 'team champion' for specific areas of practice.
- Provide supervision to other social care staff/students/healthcare staff, as appropriate, according to their level of qualification and experience
- Can be available to work within any of the Council's localities.
- Post holders must have completed Stage 1 AMHP if they are an internal Warwickshire County Council candidate already working in Mental Health and be prepared to undertake Stage 2 AMHP to complete their Qualification at a time agreed with their Line Manager.
The candidate may have 'progressed' to be a level 3 Social Worker / K Grade via another route if they are applicants from outside WCC or from other departments within WCC, i.e. Children's Services.

Enhanced tasks

- To undertake work with individuals with more complex needs, which require the development of skilled interventions.
- Whilst dealing with more vulnerable individuals, and challenging situations, it is likely that there will be regular intense emotional demands.
- Contribute to the professional development of colleagues, including students and support workers

which will include the allocation and checking of work.

Section B: Person Specification

Section C: Working Conditions

The working conditions relate to those non-contractual elements of the job that may impact on the holder of the position, as well as those workplace-based responsibilities that are part of this job. These are not contractual but provide a guide to the working conditions and the potential hazards and risks that may be faced.

Health & Safety at Work

To take responsibility for your own health, safety and wellbeing, and undertake health and safety duties and responsibilities for your role as specified within Warwickshire County Councils Health and Safety Policy, and all other relevant health and safety policies, arrangements, procedures, systems of work as specified for the post/ role.

Potential Hazards & Risks

The potential significant hazard(s) and risk(s) for this job are identified below (those ticked). The purpose of recording this information on the job description is so that the health status of the potential and actual post-holders can be assessed with regard to the significant hazards and risks. These hazards and risks should be based on the appropriate activity, process and/or operation risk assessment whereby all of the significant risks are identified, recorded and appropriately controlled. The list below is therefore not an exhaustive list because it is the risk assessment that details all significant risks that could arise out of or in connection with the work activity, but any others will be identified in the 'other' section.
