

Job Description

For streamlined positions

This form is used to provide a complete description of the specific job (or role) and defines the skills, knowledge and abilities required to undertake the specific and generic role profile.

Section A: Specific Role Profile

The specific role profile provides key information relating to the salary and working conditions e.g., location of a job, along with the current focus of the job role and a brief description of the main duties.

Role Details

Job Title:	Mental Health Social Worker	JEID	SW003
Salary Grade:	Grade K		
Team:	Mental Health Specialist Dementia and Older Adult Team		
Service Area:	Social Care and Support – Mental Health		
Primary Location:	South Warwickshire. If the service requires it, you are expected to work across the County and across Teams as needed.		
Political Restriction	This position is not politically restricted.		
Responsible to:	Team Leader		
Responsible for:	N/A		

Role Purpose

The purpose of this role is to provide a strengths-based, person-centred social work service to people living with dementia, and older adults with a range of mental disorders. Based in Coventry and Warwickshire Partnership Trust's (CWPT) Dementia and Older Adult Team you will be part of an integrated multi-disciplinary approach which enables those open to the team to live safely and well at home for as long as possible; maximising their potential for independent living and promoting their full inclusion in the community.

As well as supporting people with a diagnosis of dementia, social workers may also work as part of a new pathway which supports Older Adults with a range of mental disorders including schizophrenia, depression, anxiety, OCD and personality disorder with a view to enhancing quality of life; promoting wellbeing and independence; and upholding dignity and human rights.

As part of a multi-disciplinary team your focus will be on providing a range of strengths-based social work interventions underpinned by a philosophy of recovery, building resilience, social inclusion and maximising community and social engagement.

You will be seconded to Coventry and Warwickshire Partnership Trust (CWPT) under a successful section 75 partnership agreement to work in an integrated mental health team alongside other disciplines including, but not limited to, Psychiatrists, Nurses, Occupational Therapists and Psychologists. However, you will be line managed by, and receive supervision from, a Mental Health Social Care Team Leader.

As and when agreed with your line manager, you will be willing to train as an Approved Mental Health Professional (AMHP) as part of your professional development.

Although your role will be within the Dementia and Older Adult pathway, a principle of flexibility underpins our Mental Health Social Work offer and staff may occasionally be asked to work with adults with a wide range of mental disorders and complex social care needs.

Role Responsibilities

- Undertake direct social work with individuals through the provision of a range of strengths-based and community focussed interventions to achieve their social outcomes.
- Work with individuals to empower them to make their own decisions and to more effectively problem solve.
- Actively support people to develop their community networks and build resilience.
- To build excellent and effective relationships with other agencies and the local community and to sign-post when appropriate.
- Collaborate with other statutory, voluntary and independent sector agencies to provide a community-focused service to people with mental health difficulties.
- To work in partnership and engage other professionals to ensure there is a multi-agency approach which enables the adult and/or their carer to live as independently as possible.
- Undertake social work that encourages engagement and recovery, identifies the individual's social outcomes to be achieved, ensures a multi-disciplinary input into the process and ensures customer and carer participation.
- To carry out meaningful conversations to inform assessments which determine eligibility under the Care Act 2014.
- To develop and review creative support plans which focus on the outcomes the individual has identified, to promote their independence and ensure Care Act 2014 needs are met in a way which maximises their strengths and community assets.
- To participate in multi-disciplinary meetings and provide a social care perspective.
- To adhere to the joint values and principles of Warwickshire County Council and the Coventry and Warwickshire Partnership NHS Trust's Partnership Agreement to deliver an integrated mental health and social care service.
- Providing information and advice to customers and carers so that they can make informed decisions.
- Develop knowledge of, and build positive working relationships with, local services, facilities and resources.
- To work in a modern and flexible way through the use of technology.
- To meet statutory requirements including best practice in relation to the principles of the Care Act 2014, the Mental Capacity Act 2005 and the Mental Health Act 1983.
- Where appropriate you will undertake Mental Capacity Assessments, adhering to the Mental Capacity Act 2005 and its Guidance.
- Undertake safeguarding investigations, attend planning meetings, case conferences and reviews and perform a key working role where appropriate
- Ensure that all recording of social work activity is carried out in accordance with policy and procedures and with due regard to data protection and confidentiality.

- To participate fully in the duties of the team, including the duty/referral systems, team meetings and other meetings determined by the Team Leader and/or Operations Manager.
- Maintain accurate and concise case records and produce reports on time. There will be a requirement to case record on both Mosaic (WCC) and Carenotes (CWPT).
- Receive and fully participate in reflective practice and supervision from the designated Team Leader.
- Participate in staff appraisal.
- The post holder must be prepared to undertake AMHP Training as and when agreed with their Line Manager
- Ensure that Health and Safety responsibilities are carried out in accordance with the Department's health and safety policy and procedures.
- Undertake duties that the County Council shall from time to time require which are consistent with the nature and grading of the post.

Enhanced tasks

- To undertake work with individuals with more complex needs, which require the development of skilled interventions.
- Whilst dealing with more vulnerable individuals, and challenging situations, it is likely that there will be regular intense emotional demands.

Section B: Generic Role Profile

The generic role profile provides a list of the main tasks that cover the broad range of duties and responsibilities performed at this level for the job role. An employee may not be undertaking all of these at any one time, but they could be expected to do so under their contract of employment.

Generic Role Details

Job Role:	Social Care Worker- Level 3
-----------	-----------------------------

Main Tasks

- Provides a social work service, to a high professional standard, for individuals, families and groups in an anti-discriminatory manner.
- Practices social work accountably, within the prevailing legislative framework and Council policies and procedures, and under the supervision of the line manager.
- Manages a mixed case load, including a significant number of the more challenging cases that involve vulnerable people with complex problems.
- Assesses referrals and designs plans for action, liaising with colleagues and other agencies as appropriate.
- Arranges the delivery and monitors the effectiveness of packages of support to meet people's identified needs.
- Works collaboratively with individuals, families, carers, communities, colleagues and other agencies.
- Undertakes safeguarding investigations, with suitable supervision, attending planning meetings, case conferences and reviews as required and performs a key working role where appropriate.

- Ensures that all recording of social work activity is carried out in accordance with policy and procedures.
- Attends appropriate continuous professional development activities as are required and suitable, in agreement with the line manager and contributes to the professional development of colleagues, for example, through mentoring, practice assessing and in being 'team champion' for specific areas of practice.
- Can be available to work within any of the Council's localities.

Section C: Working Conditions

The working conditions relate to those non-contractual elements of the job that may impact on the holder of the position, as well as those workplace-based responsibilities that are part of this job. These are not contractual but provide a guide to the working conditions and the potential hazards and risks that may be faced.

Health & Safety at Work

To take responsibility for your own health, safety and wellbeing, and undertake health and safety duties and responsibilities for your role as specified within Warwickshire County Councils Health and Safety Policy, and all other relevant health and safety policies, arrangements, procedures, systems of work as specified for the post/ role.

Potential Hazards & Risks

The potential significant hazard(s) and risk(s) for this job are identified below (those ticked). The purpose of recording this information on the job description is so that the health status of the potential and actual post-holders can be assessed with regard to the significant hazards and risks. These hazards and risks should be based on the appropriate activity, process and/or operation risk

assessment whereby all of the significant risks are identified, recorded and appropriately controlled. The list below is therefore not an exhaustive list because it is the risk assessment that details all significant risks that could arise out of or in connection with the work activity, but any others will be identified in the 'other' section.
