## **Section B: Generic Role Profile**

The generic role profile provides a list of the main tasks that cover the broad range of duties and responsibilities performed at this level for the job role. An employee may not be undertaking all of these at any one time, but they could be expected to do so under their contract of employment.

#### **Generic Role Details**

Job Role:	Social Care Worker – Level 1b	

#### Main Tasks

Contributes to the social care service received by individuals, families and groups by undertaking straightforward case work including assessment and support planning and/or designated tasks on more complex cases, in an anti-discriminatory manner. Provides a flexible range of support to individuals and their families to help to prevent crises and family breakdown and promote independence/rehabilitation. Practices accountably, within the prevailing legislative framework and Council policies and procedures, under the supervision of the line manager. May undertake some professional worker tasks, with appropriate supervision and support, in preparation for future professional training if appropriate. Assesses referrals and designs plans for action, liaising with colleagues and other agencies as appropriate for straightforward cases or contributes to these activities in more complex cases. Assists accountable case holders in ongoing adult protection/child protection cases, with close supervision, attending planning meetings, case conferences and reviews as required. Arranges the delivery and monitors the effectiveness of packages of support to meet people's identified needs where appropriate or assists a professionally gualified worker to do this where this is more suitable. Works collaboratively with individuals, families, carers, communities, colleagues and other agencies. Ensures that all recording of social care activity is carried out in accordance with policy and procedures. Attends appropriate continuous professional development activities as are required and suitable, in agreement with the line manager. Can be available to work within any of the Council's localities.

## **Section B: Person Specification**

The person specification provides a list of essential and desirable criteria (skills and competencies) that a candidate should have in order to perform the job.

Each of the criteria listed below will be measured through; the application form (A), a test / exercise (T), an interview (I), a presentation (P) or documentation (D).

# **Section C: Working Conditions**

The working conditions relate to those non-contractual elements of the job that may impact on the holder of the position, as well as those workplace-based responsibilities that are part of this job. These are not contractual but provide a guide to the working conditions and the potential hazards and risks that may be faced.

#### Health & Safety at Work

To take responsibility for your own health, safety and wellbeing, and undertake health and safety duties and responsibilities for your role as specified within Warwickshire County Councils Health and Safety Policy, and all other relevant health and safety policies, arrangements, procedures, systems of work as specified for the post/ role.

#### **Potential Hazards & Risks**

The potential significant hazard(s) and risk(s) for this job are identified below (those ticked). The purpose of recording this information on the job description is so that the health status of the potential and actual post-holders can be assessed with regard to the significant hazards and risks. These hazards and risks should be based on the appropriate activity, process and/or operation risk assessment whereby all of the significant risks are identified, recorded and appropriately controlled. The list below is therefore not an exhaustive list because it is the risk assessment that details all significant risks that could arise out of or in connection with the work activity, but any others will be identified in the 'other' section.
