Our Competencies

Our competencies and behavioural indicators (defined within each core competency) describe the behaviours, actions, and activities which we believe are associated with effective performance and job success. These will be considered, along with the behaviours and values, in our application and assessment process.

Generic Competency	Indicators
<p>Driving organisational performance through change</p>	<p>Ensures everyone clearly understands and owns their roles, responsibilities, objectives, and priorities. Develops an inclusive culture, ensuring appropriate support and resources are in place, reviewing performance expectations and recognising success. Enables people to be the best they can be and deliver their objectives.</p> <p>Recognises the need for change, interprets it and initiates change by setting the agenda. Translates the requirement for change into clear objectives, effective plans and systems.</p> <p>Uses change management processes effectively, mobilises the team and builds support and commitment to the delivery of change through their leadership style.</p> <p>Ensures the right provider is commissioned to achieve WCC objectives through a mixed economy of internal and external suppliers. Assesses the most suitable means of delivering the commissioning intentions.</p> <p>Monitors progress on the delivery of change projects, ensuring results are aligned and delivered to meet corporate requirements. Undertakes</p>

	<p>periodic reviews outcomes and business measures to identify areas for improvement.</p> <p>Regularly reviews procedures, processes and systems and identifies ways to improve them in order to deliver organisational objectives.</p>
Generic Competency	Indicators
Organisational & People Leadership	<p>Uses understanding of the external and internal context together with WCC's strategy and partnership arrangements to deliver service outcomes.</p> <p>Recognises how political changes and sensitivities impact on own and team's work.</p> <p>Monitors and reviews the changing needs of customers, anticipates the resulting changes and the impact on own and team's work. Works with key stakeholders to develop a clear and agreed view of service requirements and outcomes. Enables WCC to respond with agility to changing priorities.</p> <p>Role models WCC leadership behaviours and inspires staff and partners to engage fully with the vision and direction. Promotes and facilitates an environment of common focus and action, collaboration and personal development.</p> <p>Develops capability across the team. Encourages talent and promotes continuous learning and development for all. Ensures colleagues take responsibility for their own development. Shares own expertise through coaching and mentoring and creates an inclusive environment and values the diversity of all.</p> <p>Recognises individual contribution and success. Considers the wellbeing of individuals and offers support to colleagues. Promotes WCC Values, Behaviours and ways of working.</p>
Generic Competency	Indicators
Finance and Commercial Leadership	<p>Considers key financial and commercial issues in the development of the contracting model and implements these as appropriate in contract terms and conditions.</p> <p>Works with key stakeholders to develop a clear and agreed view of WCC service requirements and target outcomes. Sets and reviews operational budgets, manages costs and delivers operational and cost efficiency.</p>

	<p>Uses financial and management information to forecast budgets and applies knowledge of commissioning and managing partnerships to deliver services.</p> <p>Negotiates contracts in a commercially astute manner and ensures that value for money is achieved.</p> <p>Analyses how money has been spent and value delivered. Measures performance, challenges inefficiencies and proposes change and makes improvements happen.</p> <p>Assesses the level of resource and the required approach to manage contracts.</p>
Generic Competency	Indicators
Strategic thinking & planning	<p>Reviews external developments together with the organisation's strategic plans to identify trends, opportunities, risks and benefits which affect the work of their team.</p> <p>Remains up to date and takes into account political, economic, environmental, technological, operational and social developments that have an impact.</p> <p>Develops insight into the issues facing WCC and uses these to contribute to the functional agenda and purpose in delivering services to meet stakeholder requirements.</p> <p>Develops and uses insights to create prioritised plans to enable the achievement of the organisation's commissioning and delivery goals.</p> <p>Anticipates and responds to organisational issues and challenges by balancing a range of operational interventions and solutions.</p> <p>Ensures all their activities are focussed, co-ordinated and prioritised on delivering greatest value for the organisation.</p>
Generic Competency	Indicators
Performance & standards	<p>Sets the delivery framework and ensures contractual, service, quality and performance measures are met.</p> <p>Measures performance, challenges inefficient processes and practices, and initiates improvement.</p> <p>Develops and reviews policies, procedures and processes, identifying and implementing improvements to achieve the service objectives.</p>

	<p>Develops effective approaches to programme development and implementation, taking into account conflicting demands and anticipates problems and opportunities.</p> <p>Evaluates results and assesses the effectiveness of processes and systems with a view to identifying learning and improvements.</p> <p>Expects and supports high standards of performance through clear purpose and accountability and challenges poor performance.</p>
Generic Competency	Indicators
Relationship management	<p>Takes steps to understand and consider the diverse opinions of stakeholders ahead of providing advice or decision making.</p> <p>Develops deep insight into own style and impact and is adept at reading and influencing a variety of people.</p> <p>Builds shared ownership and increased commitment by giving responsibility and recognition to colleagues and team members.</p> <p>Builds and maintains effective relationships with key stakeholder groups.</p> <p>Builds strong relationships based on credibility and trust with the internal or external customer and the wider organisation.</p> <p>Engages and empowers others to work collaboratively across all functional boundaries and with stakeholders.</p>
Generic Competency	Indicators
Personal Management	<p>Displays leadership behaviours and remains calm and objective in all situations.</p> <p>Demonstrates flexibility and adaptability in light of new information. Accepts feedback and responds in a thoughtful and considered way.</p> <p>Delivers personally and through others across projects by setting clear goals and targets, monitoring progress and holding people to account.</p> <p>Pursues and adopts a continuous learning and professional development approach, showing interest in new ideas and opportunities to build on success.</p> <p>Builds positive and collaborative relationships based on trust and support.</p>
