

Job Description

For Social Care Positions

This form is used to provide a complete description of the specific job (or role) and defines the skills, knowledge and abilities required to undertake the specific and generic role profile.

Section A: Specific Role Profile

The specific role profile provides key information relating to the salary and working conditions e.g. location of a job, along with the current focus of the job role and a brief description of the main duties.

Role Details

Job Title:	Social Worker level 4	JEID	SW004
Salary Grade:	Grade L		
Team:	Stratford Older People Team.		
Service Area:	Adult Social Care.		
Primary Location:	Saltway Centre. Stratford Upon Avon.		
Political Restriction	This position is not politically restricted.		
Responsible to:	Team Manager.		
Responsible for:	N/A		

Role Purpose

You will work for the Older People's Service across Stratford area. Our office base is Saltway Centre in Stratford Upon Avon however, we currently work agile, and you can work in any of the Warwickshire County Council Office cross the county.

Role Responsibilities

To work with Older People in their own homes within Warwickshire's varied and vibrant local communities, or in Accommodation with Support such as Extra Care Housing, Residential or Nursing Care across the County. To focus on prevention, using strengths-based community led support approaches to maximize opportunities and outcomes. To have creative conversations with people via technology such as the telephone and video calls or in venues where they feel most at ease, for example, community centers or churches, to help people identify their strengths, abilities and those of their carer's, families, friends, and local community. To hold both comfortable with uncomfortable conversations, at times having conversations that may be difficult for you, or those you are speaking with. To support people to connect with others and with their local community to enhance their lives. To bring brilliance to co-creating plans with individuals, their carer's, families, and friends that enhance their strengths and help achieve their ambitions. To work with computer systems, emails, and technology to record and evidence the conversations you have had and use a variety of different technology options to connect to people. To move around Warwickshire efficiently to meet people where and when required.

To arrange outcome focused support with individuals and their carers once they have identified their own skills and have developed their own supportive networks. To provide a social care perspective, within a multidisciplinary setting, to address the needs of those we work with. To work as part of team, responding to incoming calls from citizens of Warwickshire. To work remotely and independently to meet deadlines and take responsibility and accountability for an allocated "case load," which includes the most complex cases. To work in line with Legislative requirements such as the Care Act 2014, within the boundaries of Confidentiality and Information Governance and within National Processes such as Continuing Health Care and the Hospital Discharge model.

Section B: Generic Role Profile

The generic role profile provides a list of the main tasks that cover the broad range of duties and responsibilities performed at this level for the job role. An employee may not be undertaking all of these at any one time, but they could be expected to do so under their contract of employment.

Generic Role Details

Job Role:	Social Care Worker – Level 4
-----------	------------------------------

Main Tasks

- Provides a social work service, to a high professional standard, for individuals, families and groups in an anti-discriminatory manner.
- Practices social work accountably, within the prevailing legislative framework and Council policies and procedures, without the need for close supervision.
- Manages a case load, comprising mainly of the most challenging cases that involve vulnerable people with complex problems.
- Assesses referrals and designs plans for action, liaising with colleagues and other agencies as appropriate.
- Arranges the delivery and monitors the effectiveness of packages of support to meet people's identified needs.
- Works collaboratively with individuals, families, carers, communities, colleagues, and other agencies.
- Undertakes safeguarding investigations, with suitable supervision, attending planning meetings, case conferences and reviews as required and performs a key working role where appropriate.
- Ensures that all recordings of social work activity is carried out in accordance with policy and procedures.
- Attends appropriate continuous professional development activities as are required and suitable, in agreement with the line manager and contributes to the professional development of colleagues, for example, through mentoring, coaching, practice assessing and modelling high standards of professional practice.
- Provide formal supervision to a small number of unqualified staff if requested and gives informal supervision and support to social workers.
- Assists managers to further develop the team. For example, by leading work streams designed to embed improvements to social work practice.
- Can be available to work within any of the Council's localities.

Section C: Working Conditions

The working conditions relate to those non-contractual elements of the job that may impact on the holder of the position, as well as those workplace-based responsibilities that are part of this job. These are not contractual but provide a guide to the working conditions and the potential hazards and risks that may be faced.

Health & Safety at Work

To take responsibility for your own health, safety and wellbeing, and undertake health and safety duties and responsibilities for your role as specified within Warwickshire County Councils Health and Safety Policy, and all other relevant health and safety policies, arrangements, procedures, systems of work as specified for the post/ role.

Potential Hazards & Risks

The potential significant hazard(s) and risk(s) for this job are identified below (those ticked). The purpose of recording this information on the job description is so that the health status of the potential and actual post-holders can be assessed with regard to the significant hazards and risks. These hazards and risks should be based on the appropriate activity, process and/or operation risk assessment whereby all of the significant risks are identified, recorded and appropriately controlled. The list below is therefore not an exhaustive list because it is the risk assessment that details all significant risks that could arise out of or in connection with the work activity, but any others will be identified in the 'other' section.
