

Job Description

For Non-Streamlined Positions

This form is used to provide a complete description of the specific job (or role) and defines the skills, knowledge and abilities required to undertake the specific and generic role profile.

Section A: Specific Role Profile

The specific role profile provides key information relating to the salary and working conditions e.g. location of a job, along with the current focus of the job role and a brief description of the main duties.

Role Details

Job Title:	Reablement Officer	JEID	L0439
Salary Grade:	Grade G		
Team:	Warwickshire Reablement Service		
Service Area:	Social Care & Support		
Primary Location:	Kings House Bedworth		
Political Restriction	This position is not politically restricted.		
Responsible to:	Senior Reablement Officer		
Responsible for:	N/A		

Role Purpose

To work under the guidance of Reablement Officer Team Leader to promote People's independence in line with relevant legislation.

Role Responsibilities

1. To undertake the customers initial assessments and risk assessments to support the customers to identify their outcomes to achieve their maximum level of independence.
2. To assess, prescribe and review minor pieces of equipment under guidance from the Team Leader.
3. To create the reablement support plan and undertake reviews at appropriate times throughout the customers journey with reablement through liaison with case manager. The overall objective is to ensure the customer has gained a level of independence that is sustainable long term. To ensure the support plan reflects the customers assessed level of need, their aims and goals and desired outcomes during their time with the reablement service.
4. To review and revise the customers reablement support plan at agreed intervals throughout the customers reablement journey.
5. To undertake the trusted assessor role for telecare intervention. To ensure that telecare equipment is central to the customers reablement support plan, so that independence levels can be achieved and sustained where relevant.
6. To identify customers ongoing needs at end of reablement service.
7. To complete relevant processes and paperwork that are reflected within the reablement pathway,

such as the departments recording systems.

8. To work in partnership with colleagues within reablement and the wider Directorate, including health colleagues. To ensure that the customers reablement journey is consistent, safe and reflects desired outcomes and goals to maximise independence.

9. Contribute to the organisation's responsibility to safeguard and promote the welfare of Adults following WCC policies and procedures.

General Responsibilities:-

1. To use the Department's recording system to record assessments and activities.

2. To represent WCC in a positive and professional way at all times.

3. To work with members of the Team, under the direction of the Reablement Team Manager, undertaking other appropriate duties as required by your Line Manager or WCC.

4. To attend and participate in regular supervision and team meetings.

5. To work with customers, as allocated by the case manager, using the values and principles of Community Care, demonstrating respect, individuality, empowerment, consultation and privacy.

6. To demonstrate commitment to Warwickshire's policies on Equal Opportunities and Anti-discriminatory practice.

7. To ensure that health and safety responsibilities are carried out in accordance with the Department's Health and Safety policy and procedures.

Section B: Person Specification

The person specification provides a list of essential and desirable criteria (skills and competencies) that a candidate should have in order to perform the job.

Each of the criteria listed below will be measured through; the application form (A), a test / exercise (T), an interview (I), a presentation (P) or documentation (D).

3. Knowledge and experience of designing, implementing and reviewing support plans of care for adults.	A I

Section C: Working Conditions

The working conditions relate to those non-contractual elements of the job that may impact on the holder of the position, as well as those workplace-based responsibilities that are part of this job. These are not contractual but provide a guide to the working conditions and the potential hazards and risks that may be faced.

Health & Safety at Work

To take responsibility for your own health, safety and wellbeing, and undertake health and safety duties and responsibilities for your role as specified within Warwickshire County Councils Health and Safety Policy, and all other relevant health and safety policies, arrangements, procedures, systems of work as specified for the post/ role.

Potential Hazards & Risks

The potential significant hazard(s) and risk(s) for this job are identified below (those ticked). The purpose of recording this information on the job description is so that the health status of the potential and actual post-holders can be assessed with regard to the significant hazards and risks. These hazards and risks should be based on the appropriate activity, process and/or operation risk assessment whereby all of the significant risks are identified, recorded and appropriately controlled. The list below is therefore not an exhaustive list because it is the risk assessment that details all significant risks that could arise out of or in connection with the work activity, but any others will be identified in the 'other' section.
